MARTIN OLSEN.

Lynch Law in Indiana-

Indianapolis, July 7 .- The excitement in the streets of Peru during the afternoon and evening was intense, and there was free talk of taking Christianson from jail and hanging him. Men drew together in groups, and the shooting of the doctor and the punishment of Christianson formed the sole topic of discussion. This talk finally crystalized in thorough and systematic preparations. At 12:15 this morning twenty-two masked men appeared at the jail and demanded the keys. The demand was refused and the mob broke down the large iron doors, and in fifteen minutes the prisoner was in their possession. He was taken on a dead run down Broadway to the bridge, crossing the Wabash river, when he was twice strung up, the first time without the desired result, but the second time his life was extinct. He died at 12:45. The lynching was witnessed by about 1,000 people. Dr. North is lying in a very critical condition, with the chances against recovery.

sore on my cheek, and the doctors proit cancer. I have tried a number of physicians but without receiving any permanent benefit. Among the number were one or two specialists The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been had for two or three years-I had a backing cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappear ing. I would advise every one with cancer to

give S. S. S. a fair trial. Mus. NANCY J. McCONAUGREY, Asho Grove, Tippecanoe Co., Ind.
