

The Daily Astorian.

ASTORIA, OREGON: SATURDAY, JULY 9, 1887

Measles are reported among the little folks in upper Astoria.

The Fourth of July committee will make final auditing of bills, etc., tonight.

An A. O. U. W. pin, picked up in custom house square, awaits ownership at this office.

The Salem Sentry says that the correct thing now for young folks is "German measles," an inconvenience, but not very painful rash.

The heated interior is sending down this way so many of its inhabitants as can get away to enjoy the pure bracing air and cool breeze of the coast.

The Gen. Canby will leave Gray's wharf at 8 to-morrow morning for the forts and Ilwaco, and will leave Ilwaco on the return trip at 4 o'clock. See adv't.

W. R. Boone has sold the Oregon Siftings to W. S. Chapman, John Burke and George Hibbard for \$2,000. They will take immediate possession.

Wad-el-Ward, a native of Jerusalem, and a distinguished Oriental scholar, will deliver three lectures at Liberty Hall next week under the auspices of the Y. M. C. A.

The Eugene Register thinks that "I don't advertise but get the benefit of others' advertising," is not a very manly boast for anyone who aspires to do business in any community.

Jan. Bergman, Mike Meyer and Wm. Kyle expect to start on the Mischief in a few days, with cannery outfit, for Florence, on the Siuslaw, where they will can salmon later on.

A pamphlet on Astoria and its resources, presumably intended for private circulation, has been issued by a Portland printing firm, under the alleged auspices of the chamber of commerce of this city.

At their meeting last Thursday night the Astoria building and loan association loaned \$900 at 3% months' interest in advance, and closed the first series. The books for the second series will shortly be opened.

Under instructions from the managing committee on celebration, B. S. Worsley will sell to-day at 11 o'clock, in the custom house square, all the lumber, rope, canvas, axes, bunting and decorations, and twine used for celebration purposes.

At a meeting of the school directors of school district 18 yesterday, Miss Lawrence, Miss Connelly and Miss Atkinson were elected as teachers for the ensuing term. Miss Lawrence's salary will be \$80 per month; the other two ladies will receive \$60 each.

Mr. Wilson, a mill man from Rainier, has procured a location near Aberdeen, on the Chehalis river, and papers are signed for a sawmill with a capacity of 30,000 feet per day. Another party is negotiating for a site near Beardale's slough, on South bay, for a large mill.

Under the laws of Oregon 10 per cent of the bail money forfeited by default of persons held on criminal charges goes to the district attorney. In the case of the forfeiture of \$6,000 by the bondsmen of Fritz Munz, in Klamath county, this gave district attorney Colvig \$600, which beats prosecuting.

Will Grant, on behalf of the Juveniles hose team, made Capt. J. W. Hare, of that organization, a neat present last evening, in the shape of gold headed ebony cane. The recipient, who is rarely at a loss to find words to express his feelings, was nonplussed, but rallied sufficiently to express his appreciation of the handsome gift.

The rifle practice record for May, in the department of the Columbia, is reported excellent. At the different posts the record for individual figures of merit reads as follows: Vancouver barracks, 79.14; Ft. Canby, 89.84; Boise barracks, 79.14; Ft. Townsend, 77.25; Fort Walla Walla, 76.07; Fort Spokane, 73.74. Qualified sharpshooters number 28, and qualified marksmen 447.

The Press and Times, of Seattle, have raised the price of these papers to 25 cents a week. They say a paper cannot give telegrams and sell for fifteen cents a week and make anything. But THE DAILY ASTORIAN gives more telegrams from all over the world than either of these papers and is delivered at every door in Astoria for fifteen cents a week, the proprietors doing it for the fun of the thing.

There was a novel race on Jefferson street from Main to Olney, last evening. The contestants were the sturdy sled that draws DeForce around the streets and Bergman & Co.'s delivery wagon driver. The start was even, the youth flew toward the goal distancing the pony and winning ten dollars. DeForce will back his pony for a four block race against any man, woman or child in Astoria for money or marbles.

The Mount Hood Packing company filed articles of incorporation in the office of the county clerk yesterday. The incorporators are J. R. Gilstrap, F. R. Stokes and J. J. Stokes. The amount of capital stock is \$6,000, divided into 120 shares of \$50 each. The duration of the corporation is to be perpetual; the principal office to be in this city. It is understood to be the intention of the company to begin operations on the Coquille.

The Fourth on the Lower Nehalem.

EDITOR ASTORIAN:

The usual quiet of Benet's landing was changed to great activity last Monday. The proceedings were: Prayer, by Rev. J. M. Alley; reading of declaration, by Miss Lillie Dean; a poem, by T. W. Alley, and a good oration by Wm. Butterson, interspersed with vocal music; and a picnic dinner by all the ladies. The happy day was happier by the fact that the first steamer had crossed the bar and entered the Nehalem river. The question whether the bar could be navigated was favorably solved, and the future rapid development and improvement of our section an assured fact.

Our development will be money in the pockets of Astoria merchants. We owe a lasting debt of gratitude to Kinney & Co. and Mr. Gatzhart for the persistent effort made to open our river to commerce. Kinney & Co.'s cannery will soon be completed, and this, no doubt, will be followed by mills to use up some of our immense forests of fine timber, so the Nehalemists had good cause to be happy over this experiment which became a success on this eventful day.

Governor Gibbs' Funeral.

Dr. Watkins is expected here Saturday morning with the remains of the late Addison C. Gibbs, ex-governor of Oregon. The funeral services will be held in the Taylor hall, M. E. church at 4 p. m., Saturday. Rev. Dr. J. W. Alderman will have charge of the services, and Rev. Dr. C. C. Stratton will preach the funeral sermon. Dr. Stratton was the porter of Gov. Gibbs at one time and a long and most intimate friend. It is expected that Rev. Dr. Doan, of Salem, and I. D. Driver, of East Portland, will take part in the services. Gov. Gibbs was the war governor of this state and one of the most able and honored men that ever filled that office or resided in the state. This state has done great honor to itself in arranging to have his remains brought back here to slumber in the dust of the state he did so much to honor.—Oregonian, 8.

Will Visit Astoria Next Week.

At the late session of the legislature it was provided by joint resolution that during the active fishing season of this year a committee, consisting of two members of the senate and three members of the house, with the state fish commission, should make a careful examination of the salmon interest. In accordance with this resolution, the committee, of which Senator Barin is chairman, met in this city yesterday and to-day will go to The Dalles. Returning they will visit the fish wheels at the Cascades. Next week they will go to Astoria and spend several days among the canneries. Major W. A. Jones, United States engineer, will accompany the party by special invitation.—Oregonian, 8.

Give Them a Chance!

That is to say, your lungs. Also your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

The preliminary examination of eight men charged with the murder of a Chinaman near Elliott's landing began before Justice Cleveland yesterday afternoon. A chicken was solemnly killed, and sundry Chinese witnesses examined. Constable Beasley brought down a raft of witnesses yesterday, and starts after another boat load to-day. The examination will be resumed at 9 o'clock this morning.

Palpitation of the Heart.

Persons who suffer from occasional palpitation of the heart are often unaware that they are the victims of heart disease, and are liable to die without warning. They should banish this alarming symptom and cure the disease by using DR. FLETCHER'S HEART REMEDY. At all druggists, or J. J. Mack & Co., 9 and 11 Front st., S. F.

A COMPLETE CURE.

I have suffered all my life with skin diseases of different kinds and have never found permanent relief, until, by the advice of a lady friend, I used your valuable CUTICURA REMEDIES. I gave them a thorough trial, using six bottles of the CUTICURA RESOLVENT, two boxes of CUTICURA and seven cakes of CUTICURA SOAP, and the result was just what I had been told it would be—a complete cure.

BELLE WADE, Richmond, Va. Reference, G. W. Latimer, Druggist, Richmond, Va.

SALT RHEUM CURED.

I was troubled with Salt Rheum for a number of years, so that the skin entirely came off of one of my hands from the finger tips to the wrist. I tried remedies and doctors' prescriptions to no purpose until I commenced taking CUTICURA REMEDIES, and now I am entirely cured.

DRUGGISTS ENDORSE THEM.

Have said a quantity of your Cuticura Remedies. One of my customers, Mrs. Henry Kintz, who had tetter on her hands to such an extent as to cause the skin to peel off, and for eight years she suffered greatly, was completely cured by the use of your medicine, C. N. N.Y.E. Druggist, Canton, Ohio.

ITCHING, SCALY, PIMPLY.

For the last year I have had a species of itching, scaly and pimply humors on my face to which I have applied a great many methods of treatment without success, and which was speedily and entirely cured by CUTICURA.

GRUBS, Pimples, Skin Eruptions, and Patches, cured by CUTICURA SOAP.

Catarrh to Consumption.

Catarrh in its destructive force stands next to and undoubtedly leads on to consumption. It is therefore singular that those afflicted with this fearful disease should not make it the object of their lives to rid themselves of it. Deceptive remedies concocted by ignorant pretenders to medical knowledge have weakened the confidence of the great majority of sufferers in all advertised remedies. These have become raised to a life of misery rather than torture themselves with doubtful palliatives.

But it will never do. Catarrh must be met at every stage and combated with all our might. In many cases the disease has assumed dangerous symptoms. The bones are brittle and inflamed, the organs of hearing, seeing and tasting so affected as to be useless, the uvula so elongated, the throat so inflamed and irritated as to produce a constant and distressing cough.

SANFORD'S RADICAL CURE meets every phase of Catarrh, from a simple head cold to the most loathsome and destructive stages. It is local and constitutional. Instant in relieving permanent in curing, safe, economical and never failing.

Each package contains one bottle of the RADICAL CURE, one box CATARRHAL SOLVENT, and IMPROVED INHALER, with treatment; price \$1.

Famous Women.

Madame Trebelli, the greatest of living contraltos who has traveled extensively, in fact visited every county and city of note in the world, has just departed from the slopes of the Pacific, and often expressing the "scientific" opinion of the beauty and grandeur of our scenery and the delightful mildness of our climate, left the following written note as a living expression of her opinion in the hands of a Portland druggist, the original of which can be seen on demand.

PORTLAND, Or., April 6, 1887. Dear Mr. Wisdom:—I have tried your "Robertine," and it gives me much pleasure to say that it is excellent for the complexion, being one of the best articles of the kind I have ever used. Believe me, yours sincerely,

Z. TREBELL.

If any further proof of the excellency of this article is required call on Messrs. W. E. Dement & Co. of Astoria, Or., wao, for the small sum of fifty cents, will produce evidence that will satisfy the most skeptical and fastidious and give you a beautiful picture card for the trouble of enquiring.

A Mighty Hunter in Algeria.

Achmed Ben Amar, the Algerian lion slayer, has killed over 200 of the kings of beasts.

Unnecessary Misery.

Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure, for the reason that no one likes to take the medicines usually prescribed. HAMBURG FIGS were prepared to obviate this difficulty, and they will be found pleasant to the taste of women and children. 25 cents. At all druggists, J. J. Mack & Co., proprietors, S. F.
