when he was asked in the house he replied that steps had been taken by telling them what was going to be done. The figure Cetyway's old empire now cuts on the map is enough to make that unfortunate monarch turn in his grave. The broad domain of the new Boer republic stretches through the central and finest part of Zululand almost to the sea, leaving the two portions that now remain to the natives joined like the Siamese twins by a ligature in the shape of a narrow coast strip. Now that Great Britain has annexed Zululand, her historic drum beat that circles the world may be said also to describe a much smaller

ore on my cheek, and the doctors pron t cancer. I have tried a number of physical but without receiving any permanent benefit The medicine they applied was like fire to the sore, causing intense pain. I saw a statem in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bed for two or three years—I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappear ing.
