FATAL

Do you know that a pain in the left shoulder or arm is a sign of heart disease? It is; and that disease may have progressed far towards a fatal termination without your knowing it. Take DR. FLETCHER'S HEART REMEDY at once.

HAMBURG FIGS.

Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure for the reason that no one likes to take the medicine that is usually prescribed. Hamburg Figs were prepared to obviate this difficulty, and they will be found effective as well as pleasant to the taste of women and children.

TRIED CRUCIBLE.

S.S.S.

About twenty years ago I discovered a little sore on my cheek, and the doctors pronounced it cancer. I have tried a number of physicians, but without receiving any permanent benefit. Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years—I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to give S. S. S. a fair trial.
