ORDINANCE NO. 889. An Ordinance Regulating the Storage of Combustible Materials Within the City of Astoria.

The city of Astoria does ordain as follows: Section 1. No person or persons shall keep or offer for sale any gunpowder, giant powder, gun cotton or any other explosive substance having an explosive power equal to ordinary gunpowder, in quantities greater than fifty pounds, in any one place, in the city of Astoria, and which shall be kept in an air-tight metallic vessel, marked with the name of the substance, in plain Roman letters not less than three inches in height, and in proportionate width, and such vessel shall be kept at all times conspicuously in view near the entrance of the premises where kept and convenient for removal therefrom.

Section 2. No person shall convey or other water craft shall enter the city of Astoria while having on board any blasting powder, gunpowder, dynamite, or other explosive compounds used for blasting purposes; provided, that this section shall not apply to steamships, vessels, or other water craft passing up or down the Columbia river to points outside of the city limits, and vessels so bound shall not be anchored or moored within said city, or remain within said city longer than is actually necessary in transit.

Section 3. No person shall convey or assist in conveying in any vehicle any gunpowder, unless the same shall be securely packed in close packages, nor unless such packages shall be securely covered while in the vehicle. Section 4. No person or persons, firm or corporation shall keep, store or permit to be stored in their or its premises, any lacquer in quantities of more than one hundred gallons, in any store, warehouse, cannery or other place within the corporate limits of the city of Astoria, and such lacquer shall be enclosed in a metallic tank, with an air-tight cap and faucet, and shall be one hundred feet away from all fire, soldering pots, solder and boiler furnaces, stoves and all other receptacles for fire, and the contents of such tank shall be marked with the name of the same in plain Roman letters at least three inches in height and of proportionate width.

Section 5. No person, persons, firm or corporation shall store, permit the storage of, or keep turpentine, varnish, crude petroleum or any refined or reformed product of petroleum or any hydro-carbon liquid emitting an inflammable vapor, in any building or place, in larger quantities than one hundred gallons within the city of Astoria, within the following limits: North of the south side of Pine street; north of the south side of Wall street, or north of the south side of Court street east of the west line of Main street, or north of the south side of Astor street between the west side of Main street and the west side of Washington streets, and outside of said limits such substances shall not be kept or stored nearer than two hundred feet to any other building.

Section 6. No person shall use or cause to be used any house for the purpose of curing bacon, ham, sausages or meats of any kind within the corporate limits of the city of Astoria. Section 7. No water craft shall be permitted to remain at the wharf longer than twelve hours after receiving gunpowder, blasting powder or other explosives on board, and all gunpowder, blasting powder, dynamite or other explosive substances deposited on the wharf for shipment shall be immediately passed on board the vessel which is to receive the same.

Section 8. The chief engineer of the fire department is required to see that the provisions of this ordinance are enforced, and to make complaint to the police court for violations thereof. Section 9. A violation of any of the provisions of this ordinance shall be punished by a fine of not less than five or more than one hundred dollars, or by imprisonment in the city jail not less than three nor more than twenty days, or both at the discretion of the court, and the continuance or maintaining of such violation shall be deemed a new offense for each day on which the same is so continued or maintained, and shall be punished accordingly. Passed the common council July 26, 1887. Approved August 1, 1887. J. C. TRULLINGER, Mayor.

At Night Always have Acker's Baby Soother at hand. It is the only safe medicine yet made that will remove all infantile disorders. It contains no Opium or Morphine, but gives the child entire ease from pain. Price 25 cents. Sold by J. W. Conn.

The consumption of lead pencils in the United States is one and one-half per head per annum. And reliable Medicines are the best to depend upon. Acker's Blood Elixir has been prescribed for years for all Impurities of the Blood. In every form of Scrofulous, Syphilitic or Mercurial Diseases it is invaluable. For Rheumatism, has no equal. J. W. Conn.

DR. FLINT'S HEART REMEDY. Take it in Time. A man who presents an appearance of debility, whose countenance is anxious, and who is subject to spells of faintness, is liable to sudden death from heart disease. Let him take Dr. Flint's Heart Remedy before it is too late.

Apoplexy. Dr. Flint's Heart Remedy would have prevented many cases of Apoplexy, which is usually dependent upon disease of the Heart, if taken when first any unusual sensations were felt.
