CHEHALIS, W. T., Aug. 29.-The cutting and shooting affray that occurred at Olequa last night resulted in the death of three of the parties engaged. Some were shot and some were cut up so they died in a few minutes. It started over a game of poker. There were six men playing, five quarter breeds and one white man, who claimed to be a detective from Cincinnati. One half breed got to cutting up and the others wanted the detective to arrest him, but he would not submit to arrest and the detective shot him. Then two of these got hold of the detective, and nearly severed his head from his body with knives. Only one man escaped unhurt, two men are expected to die every minute. No names have been found out yet. They were nearly all drunk.

ore on my cheek, and the doctors pr t cancer. I have tried a number of pay but without receiving any permanent benefit Among the number were one or two sp The medicine they applied was like fire to the ore, causing intense pain. I saw a statemen in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at nce. Before I had used the second bottle the neighbors could notice that my cancer was scaling up. My general health had been bad for two or three years-I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to

give S. S. S. a fair trial. MRS. NANCY J. McCONAUGHBY. Ashe Grove, Tippesance Co., Ind. Feb. 16, 1884.
