

The Daily Astorian.

ASTORIA, OREGON:

TUESDAY, SEPTEMBER 27, 1887

Only \$39,000 more.

Telegraphic news will be found on the first page this morning.

A hog that dressed 525 pounds was hung up at Wherry's butcher shop yesterday.

The fast of Yom Kippur, or Day of Atonement, begins at sundown this evening and extends to sundown to-morrow.

McCurtrie & Holt have a contract from the Clatsop Mill company to build four dwelling houses near their premises.

Bonding property for \$60,000 that cost \$30,000 three years ago is pretty good evidence of the solidity of value of Astoria real estate.

There are three vessels loading at Hoquiam: the *Beulah*, Capt. Wilson; the *Novelty*, Capt. Swan, and the *Webfoot*, Capt. Treanor.

Eighteen hundred dollars of mining stock in the Homer mine picked up on the street, awaits identification and ownership at this office.

The infant son of Mr. and Mrs. Aug. Danielson died last Sunday afternoon after a brief illness. The funeral took place yesterday afternoon.

J. W. Dunkin has made a model of a machine to split logs, which he will send to-day to a patent solicitor in Washington, to obtain letters patent thereon.

Adolph Dauth, a German upholsterer, in Portland, aged 30, died at half-past two yesterday morning, having succumbed with a dose of "Rough on Rats," tired of life.

Astoria real estate is going up in price. Get in, and don't be telling six months from now what you could have bought that lot for in September '87, "if you just had known."

At three o'clock yesterday morning in the Argonaut saloon in Portland, Ohas. Manciet, aged 24, was shot and instantly killed by Billy Dillon. They and others had been playing stud poker.

To the list of subscribers to the subsidy fund is to be added Columbia River Packing Co., \$250; Mrs. Robt. Wilhagen, \$250, and Master Albert Kinney, \$150. The list now aggregates \$111,000.

Harry Benson, a well known Astorian, and until recently a resident of this city, died at San Jose, Cal., on the 18th inst. Deceased was about 45 years of age. The cause of his death was consumption, from which he had long been a sufferer.

Times are reported lively on Gray's harbor. Lanching is at a discount at present, and all who can are either logging or fishing. Carpenters and mechanics are in demand. Fifteen new buildings are going up in Aberdeen, and there isn't an idle man in the place, all same Astoria.

The British ship *Moseby*, 1217, from San Diego, arrived in yesterday; the *Saravac* sailed. The big British ship, *Keefeochan*, 2,058, 27 days from San Pedro, is reported outside. The *River Indus* sails to-day. The British bark *County of Angles*, three schooners and a barkentine arrived in last evening.

PERSONAL MENTION.

B. A. Seaborg is in the city. State senator J. H. D. Gray returned on the *Telephone* Sunday.

Deputy district attorney Watson returned from Portland yesterday. Theodore and Mary Stearns, of Fayette, W. T., are visiting Thos. Mairs.

Majors Wyckoff and Muhlendorf, of Vancouver barracks, are in the city. D. C. Ireland, editor and proprietor of the *Pioneer*, and G. W. Snyder, of the *Transcript*, have returned from Portland.

Miss Hattie Sackett, who has just closed a successful term of school on Lewis & Clarke's, returns to her home in Ashland next Friday.

Joe Pinschower, of the New York novelty store, returned yesterday from a business trip through Pacific and Chehalis counties. He is a rustler, and reports good success.

A Lively Scrimmage.

Last Friday a dispute arose at Aberdeen between Capt. Swan of the *Novelty* and Capt. Treanor of the *Webfoot*, as to who was first sighted by the tug *Traveler*. A bet was made of \$100, which the captain of the *Traveler* was not able to decide, there being not over two minutes difference at best. Later in the day Capt. Treanor, who weighs 130 lbs., recollected using some unparliamentary language to Capt. Swan, who weighs 230 lbs., and apologized. The latter refused to accept the apology, and made uncomplimentary reference to Treanor's lineage, which aroused the little captain's ire, and his apology having been contemptuously refused, he reiterated his previous statement, which led to a fight, greatly to the delight of the spectators. The little captain got the big captain in chancery, and disfigured his features so that his best friends had difficulty in recognizing him, proving himself, as far as science went, the best man of the two.

We have been told on the sly that the Low Price Store are selling their \$1.25 Lady's cloth at 75 cents.

The best oysters in any style at Fabre's.

The great Sacrifice Sale still goes on at the Crystal Palace. Goods at your own prices at all times.

REPORT OF C. W. SHIVELY.

To the Grand Jury of Clatsop County, Oregon, for the September term, 1887.

GENTLEMEN:—Having been appointed by your honorable body to examine the financial standing of Clatsop county, state of Oregon, and being further instructed with regard to my duties by the

BOARD OF DELEGATES.

The Old Board and The New.

The outgoing board of delegates of the Astoria fire department met last evening, president C. J. Treanor in the chair; secretary E. Z. Ferguson read the minutes, several bills were audited, and the treasurer's and secretary's reports were referred, the president read the report of the board of foremen, which, with the cash on hand, was ordered turned over to the incoming board, and the thanks of the board of delegates were tendered the board of foremen for their administration of affairs.

The board passed on the credentials of the new members elect, the finance committee's report was received and placed on file, a communication from C. Brown, tendering his resignation, was read, a unanimous vote of thanks was tendered the retiring president of the board, C. J. Treanor, which he acknowledged in a few complimentary remarks, urging upon the new board the necessity of punctuality and regular attendance at the sessions of the board, and having sworn in the members of the new board, a motion to adjourn prevailed.

The new board then met, consisting of the following members: Astoria Engine Co. No. One—D. R. Blount, C. J. Curtis, L. E. Selig. Rescue Engine Co. No. Two—F. L. Parker, Geo. Noland, J. W. Hare. Alert H. & L. No. One—F. I. Dunbar, C. B. Thompson, P. W. Weeks. The first business being the election of permanent officers, the following were chosen: President, F. I. Dunbar; secretary, E. Z. Ferguson; treasurer, D. R. Blount.

The action of the outgoing board as to credentials was accepted and certificates ordered issued in conformity thereto. On motion the president was authorized to appoint a committee of three to codify department laws, ordinances, resolutions, etc., for publication. Messrs. Noland, Curtis and Thompson were appointed as such committee; adjourned.

Don't Let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept healthy and clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, there are thousands and thousands of people who can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Some Knappa Subscriptions. "Here is the latest dispatch from Knappa," said J. F. Nowlen, yesterday morning, handing in the following from Col. A. H. Stone, who is as enthusiastic as any man in the county regarding the railroad:

A. H. Stone 250 J. F. Warren 250 A. Knapp 250 E. C. Crow 250 There are several pre-cincts still to hear from.

Wonderful Cures. W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., say: we have been selling Dr. King's New Discovery, Electric Bitters and Bucklen's Arnica Salve for two years. Have never handled remedies that sell as well, or give such universal satisfaction.

There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We guarantee them always. Sold by W. E. Dement & Co.

A City Sued For Impeding Progress. It is not often that a railroad sues a town for impeding its progress while endeavoring to enter. In such a case at Vancouver, B. C. The C. P. was granted right of way by the city of Vancouver, and because of delay in procuring said right of way, the city has a suit for \$10,000 damages against it.—Port Townsend Argus.

Unnecessary Misery. Probably as much misery comes from habitual constipation as from any derangement of the functions of the body, and it is difficult to cure, for the reason that no one likes to take the medicines usually prescribed.

HAMBURG FIGS were prepared to obviate this difficulty, and they will be found pleasant to the taste of women and children. 25 cents. At all druggists. J. J. Mack & Co., S. F.

\$250 in Cash! Three Worcester's and three Webster's dictionaries, worth \$89, and four dictionary holders, worth \$15.50, given as prizes for best essays answering the question "Why should I use a dictionary holder?" For full particulars, send to La Verne W. Noyes, 99 and 101 W. Monroe street, Chicago, the maker of dictionary holders. Or inquire at your bookstore.

Kenton Baking Powders. One pound: full weight. Price, 50 cents, and 25 cents' worth of anything in the store given with each can. Guaranteed to give satisfaction or money refunded. D. L. Beck & Sons, Sole Agents.

Auction Sale. On account of the departure of Mr. Adler for Portland in answer to a telegram of importance, there was no auction sale at the Crystal Palace yesterday. On this afternoon at 2 o'clock, Mr. Worsley will continue the sale. Solid gold and silver watches and a thousand other useful articles must be given away or sold.
