The Political Situation in New York.

If the prohibition movement and the labor movement were both wiped out of existence the state of New York would be debatable, with the chances in favor of the Republicans, as the figures since 1883 show. If the prohibition party were the only outside party, the chances would be in favor of the Democrats. But the labor movement, an unknown quantity, steps in and changes the outlook. The result of the election now seems to depend simply on the point whether labor or prohibition will poll the larger vote.—*N. Y. World.*

Wanted—A Patent Immigration-Sifter.

This country is not prepared to shut down on foreign immigration, and it probably never will adopt that policy. But we need a more efficient immigration-sifter than we have ever yet had in operation. We don't want helpless imbeciles to be supported by our charity, nor criminals and anarchists to make war upon our civil and religious institutions. We have enough of that class here now.—*Chicago Inter-Ocean.*

DR. FLINT'S HEART REMEDY

It is Suicide to neglect any of the many forms of heart disease, though many do so from ignorance. Read Dr. Flint's treatise on Heart Disease, and if you have any symptoms therein set forth, take Dr. FLINT'S HEART REMEDY.

Sea Sickness. DR. FLINT'S HEART REMEDY is a medicine which has been found particularly efficacious in cases of Sea sickness, as it at once stops the terrible vomiting, throbbing in the temples, and enables the patient to secure repose.

Take it in Time. A man who presents an appearance of debility, whose countenance is anxious, and who is apt to spells of faintness, is liable to sudden death from heart disease. Let him take DR. FLINT'S HEART REMEDY before it is too late.
