His lawvers' fees and court costs have been \$625 to date. Divided by thirty-two and you get the cost of a home-made melon, though the old man had lots of fun in shooting. Nothing is said about the bill for "pain killer," from which it is in-ferred that the seven boys carried away melons in their arms as well as salt in their legs."

On his arrival yesterday in charge of the Manzanita, Capt. C. S. Rich-ardson found his official appointment as master of that vessel awaiting him. He has been appointed to that responsible position by the secretary of the treasury. THE ASTORIAN con-gratulates Captain Richardson on his deserved promotion. First officer W. E. Gregory has also received due recognition of efficiency in the appointment as first officer. Harry C. Lord is chief engineer, and Mr. Ricard, recently from San Francisco, assistant engineer. The Manzanita's next trip is to Tillamook rock.

A Scaly, Itching Skin Disease with Endless Suffering Cured by Cuticura Remedies.

Cuticura Remedies.

If I had known of the Cuticura Remedies twenty-eight years ago it would have saved me \$300,00 (two hundred dollars) and an immense amount of suffering. My disease, (Psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my mails. The scales would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leptosy, some ring worm, psoriasis, etc. I took. and. Sarsaparilla over one year and a-half, but no cure. I went to two or three doctors and no cure. I went to two or three doctors and no cure. I cannot praise the Cuticura Remembers, too much. They have made my skin as clear and free from scales as a baby's. All I used of them was three boxes of Cuticura, and thwo cakes of Cuticura Resouver, and two cakes of Cuticura Resouver, and two cakes of Cuticura Soar, If you had been here and said you would have cared me for \$200,00 you would have had the money I looked like the picture in your book of Psoriasis (picture number two, "How to Cure Skin Diseases"), but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well, "I scratched twenty-eight years, and it got to be a kind of second nature to me. I thank you as thousand times. Anything more that you want to know write me, or any one who reads this may write to me and I will answer it.
