EDITOR ASTORIAN:

In

I am very desirons of locating in your state and would like some in-formation as to where you think I had best take up my residence. The first requisite in my case would be to secure a situation; this, of course, will require satisfactory references, etc. on my part and some one who is

inducing such parties as you can who are likely to need one of my qualifi-cations to correspond with me. For all this I shall be duly thankful and your debtor whatever befalls me; should I secure an engagement in your city I would willingly settle with you to your satisfaction. Very truly yours, JAMES R. COVERT.

Box 434.

The answer to the first letter is a bundle of "The Forest Wealth of Clatsop County," to the second, "Stay where you are."

A prominent business man of this C. H. Dodd, yesterday, succeeded city has received inquiries this week from eastern lumber firms who want this county. To them and such as them who want to invest and who bar. Major Jones has the tug and city. W. T. Parker returned yesterday from an extended trip through the eastern states. He was accompanied by his brother, Otto, who has been at school in Vermont. C. Leminer, J. Hantor, Schains, etc., all ready, and operations will commence to day. As it costs \$450 per day for the use of the steamer, no grass will be al-lowed to grow on the bar while she is around, and if possible she will be around, and if possible she will be be here to day. Mayor Trullinger. He gives employ-ment to a hundred men, and they around, and if possible she will be control of the steamer, und if possible she will be around, and if possible she will be here to a hundred men, and they around, and if possible she will be here to a hundred men, and they around, and if possible she will be here to a hundred men, and they around and if possible she will be here to a hundred men, and they around and if possible she will be here to a hundred men, and they around and if possible she will be here to a hundred men, and they here to a hundre help, just as far as a hundred men's needs go, to make a market for every-thing that Clatsop county raises in the way of agricultural products, etc. Men who want to work can always get work here, but they cannot pick chant, however, remarked to the col-lector: "You go around to my land-lord and ask him to throw in that \$25 their work: they must be able and willing to take the first honest work that offers till they find something that suits them better, and bring this time. Tell him if the river is not kept open I shall not need his store.' The landlord contributed the \$25.-
