A Sanguinary Speech.

George Francis Train delivered a lecture in the Princess theater, last Sunday afternoon, to a small audience. A part of the lecture, if literally reported, would read like a nightmare. "Being born on a mountain top," said Mr. Train, "I saw you couldn't hang seven men in Chicago for committing no crime. I am going to move here and settle down. All in favor of my living here, say 'aye.' (Ayes vociferously granted.) You hang those seven men if you dare, and I will head 20,000,000 workmen to cut the throats of everybody in Chicago. All in favor of cutting the throats of everybody in Chicago say 'aye.' (Ayes given with a roar of laughter.) How can you convict men of being accessories to a crime for which there is no principal?" he suddenly shouted. "Furthermore, how are these men accessories, and why should they hang? By similar reasoning Jeff Davis and Robert E. Lee ought to have hung for firing on Fort Sumter, Dennis Kearney and the rest of the sand-lotters and coast editors ought to hang for the Rock Springs Chinese massacre which they fomented, and Mayor Harrison and the chiefs of police who permitted the anarchist leaders to incite the Haymarket massacre during the days of inflammatory speeches should hang."

A vote was then taken on a proposition to hang Jay Gould to a lamp post, and unanimously carried.

Don't Trifle with any Throat or Lung Disease. If you have a Cough or Cold, or the children are threatened with Croup or Whooping Cough, use Acker's English Remedy and prevent further trouble. It is a positive cure, and we guarantee it. Price 10 and 50 cents. J. W. Conn.

The state and government agents who have been examining lands in eastern and southern Oregon have finished their survey and are now at the Dalles, preparing their report. The two agents who have been operating in southern Oregon have not yet entirely finished their examination, but they will be through in a few weeks. No doubt such disposition of these swamp lands as the government and state agents recommend will be agreed upon. Those which they decided to be swamp will be turned over to the state and patents granted therefor, while the remainder the government will reserve for itself.

If you Would enjoy your dinner and are prevented by Dyspepsia, use Acker's Dyspepsia Tablets. They are a positive cure for Dyspepsia, Indigestion, Flatulency and Constipation. We guarantee them. 25 and 50 cents. J. W. Conn.

Montana's treasury has been bankrupted by the bounty on prairie dogs and ground squirrels. Last winter the legislature authorized a reward of ten cents for prairie dogs and five cents for squirrels, and to date the territory has paid for 698,971 ground squirrels and 153,709 prairie dogs, or a total of over \$50,000. These payments exhausted the money in the treasury, and were running the territory in debt. A special session of the legislature was held last week and the law repealed.

At Night Always have Acker's Baby Soother at hand. It is the only safe medicine yet made that will remove all infantile disorders. It contains no Opium or Morphine, but gives the child natural ease from pain. Price 25 cents. Sold by J. W. Conn.

Justice in Kansas is so firm that her expression may be mistaken for a frown. A drug clerk in that state has just been sentenced to seven years in the penitentiary for selling a graduate a glass of whiskey in violation of the prohibitory law. If he had been convicted of murder in the second degree, he would have got twelve years less time.

Old reliable Medicines are the best to depend upon. Acker's Blood Elixir has been prescribed for years for all Impurities of the Blood. In every form of Scrofulous, Syphilitic or Mercurial Diseases it is invaluable. For Rheumatism, has no equal. J. W. Conn.

The president of the state university at Eugene will hereafter receive \$2,500 a year and his six assistants \$2,000 a year. J. W. Conn.

THE reason Why Acker's Blood Elixir is warranted, is because it is the best Blood Preparation known. It will positively cure all Blood Diseases, purifies the whole system, and thoroughly builds up the constitution. Remember, we guarantee it. J. W. Conn.

TRIED IN THE CRUCIBLE.

S.S.S.

About twenty years ago I discovered a little sore on my cheek, and the doctors pronounced it cancer. Have tried a number of physicians, but without receiving any permanent benefit.

Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling that S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years - I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to give S. S. S. a fair trial.
