**A Cunning Criminal.**  
 Some three months since, says the News, Harry Morgan, who pretended to be deaf and dumb, was caught in the act of robbing a logger's camp near St. Helens, Columbia county. Since that time he has been confined in the county jail here awaiting the action of the grand jury. A few days since a true bill was found against him and yesterday he was taken to St. Helens for trial by Sheriff Watts. Since Morgan's incarceration in the county jail he has been heard to speak a score of times, so that it is certain that his pretensions to being unable to talk is assumed to gain sympathy. From notes written by Morgan it has also been found out that he is a hardened criminal, and that he committed a series of desperate felonies before he came to the coast. His right name is Cosgrove.
