Day and Night

During an acute attack of Bronchitis, a ceaseless tickling in the throat, and an exhausting, hacking cough, afflict the sufferer. Sleep is banished, and great prostration follows. This disease is also attended with Hoarseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally. Ayer's Cherry Pectoral affords speedy relief and cure in cases of Bronchitis. It controls the disposition to cough, and induces refreshing sleep.

I have been a practising physician for twenty-four years, and for the past twelve, have suffered from annual attacks of Bronchitis. After exhausting all the usual remedies

Without Relief,
I tried Ayer's Cherry Pectoral. It effected a speedy cure.—G. Stoveall, M. D., Carrollton, Miss.

Ayer's Cherry Pectoral is decidedly the best remedy, within my knowledge, for chronic Bronchitis, and all lung diseases.—M. A. East, M. D., South Paris, Me.

I was attacked, last winter, with a severe Cold, which grew worse and settled on my Lungs. By night sweats I was reduced almost to a skeleton. My Cough was incessant, and I frequently spit blood. My physician told me to give up business, or I would not live a month. After taking various remedies without relief, I was finally

Cured By Using
two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable with Consumption.—S. P. Henderson, Salsburgh, Penn.

For years I was in a decline. I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In case of a sudden cold I always resort to the Pectoral, and find speedy relief.—Edward E. Curtis, Rutland, Vt.

Two years ago I suffered from a severe Bronchitis. The physician attending me became fearful that the disease would terminate in Pneumonia. After trying various medicines, without benefit, he prescribed Ayer's Cherry Pectoral, which relieved me at once. I continued to take this medicine, and was cured.—Ernest Colton, Logansport, Ind.

EDITOR ASTORIAN:
Presuming that any institution or movement, which affects morals, or politics, is either right or wrong; presuming that nothing is politically right that is morally wrong; it follows that the liquor business, being such an institution is either right or wrong, and that prohibition, being such a movement, is also, either right or wrong. The institution and the movement being diametrically opposite, it is a logical conclusion that if one is right the other is wrong.

Right, morally and politically, must bring the greatest good to the greatest number, therefore the body politic ought to be morally right; the voters decide on great questions which is right or wrong at the ballot box. On the 8th of November next the voters of the commonwealth of Oregon are called on to decide for either prohibition or the liquor business. Much has been written, more has been said, on this important question, called very often a vexed question. Writers and speakers can vex most any question. With me it is a plain duty: doing right, defeating wrong.

Let the honest voter not be blindfolded by the "learned counsel," on either side, but keeping the right or wrong axiom in view, let us decide by ballot if prohibiting liquor shall bring the greatest good to the greatest number, in the name of right, in the name of our homes, our wives and our little ones, let Oregon voters prohibit. But if the liquor business brings the greatest good to the greatest number, then in the name of "can't then the sentence, but then I am a PROHIBITIONIST.

A covered farm wagon, east ward bound, passed through a Nebraska town a few days ago, containing the owner of the outfit, his wife and five children, a live buffalo, an antelope, a pair of wolves, a pair of swifits or prairie foxes and a box of white rats, beside a considerable store of provisions.

CONCENTRATE YOUR VITALITY.
One of the secrets of health is the concentration of vitality. The re-creating of the vital principle is done effectually by BRANDRETH'S PILLS. "Health finds happiness in the mere sense of existence." BRANDRETH'S PILLS help nature to reassert her own when she has been forced to vacate her stronghold in the body. When an enemy attacks a fort all the forces are concentrated at the point of attack to resist the onslaught. So with the body. BRANDRETH'S PILLS concentrate all one's vitality to throw off the encroaching disease. Get BRANDRETH'S PILLS. Be sure to take no other.

Colic.
Persons, and especially children, are subject to this agonizing complaint which often comes on suddenly in the night and without any previous warning. Simmons Liver Regulator should always be at hand. A single dose will generally allay the pain. It never fails in giving relief. It is harmless, and can be given with safety to a child of the tenderest age.

To cure any scrofulous disease or humor, try Ayer's Sarsaparilla. It cleanses the blood.

In Favor of the Settler.

Commissioner Sparks, of the general land office, has rendered a decision in the case of the Northern Pacific Railroad company vs. Rudolph Distler, on appeal from a decision of the Olympia, Washington territory, land office. On November 18, 1885, Distler presented his homestead application for a quarter section within the limits of the withdrawal for indemnity purposes, alleging settlement April 28, 1885. The tract in dispute has been continuously withdrawn since August 13, 1887, and was also embraced in the list of selections for indemnity purposes by the company filed May 13, 1886. Distler made proof, showing full compliance with the law as to residence, improvements, etc. The local officials held that he should be allowed to enter the tract, and that the selection should be cancelled.

This case is similar in all important particulars to the celebrated Guilford Miller case, to which the committee call attention as follows: "Referring to the letter by his excellency, Grover Cleveland, president of the United States, in the matter of the case of Guilford Miller, I must refuse to approve the selection by the company, a settlement right having attached to the tract prior to said selection. Your decision is therefore affirmed. Distler's application is held for allowance. Should this become final and the selection be cancelled, the company might select land in lieu thereof should a deficiency exist upon which no settlement claim exists at the date of selection.

Is one of the greatest blessings when you have it under control. If you build your fire in one of those Magee Ranges or one of those Acorns or Argands at John A. Montgomery's, you will find it a pleasure to prepare a meal, or if you get one of those Heaters you will find them to be clean and economical and an ornament to your parlor. BILIOUSNESS

"I unhesitatingly give my testimony to the great benefits to be derived from Simmons Liver Regulator. I was afflicted for several years with disordered Liver, which resulted in a severe attack of Jaundice. I had good medical attendance, but it failed to restore me to the enjoyment of my former health. I then tried the most renowned physicians of Louisville, Ky., but all to no purpose, whereupon I was induced to try Simmons Liver Regulator. I found immediate benefit from its use, and it ultimately restored me to the full enjoyment of health."—A. H. SHIRLEY, Richmond, Ky. "I most cheerfully recommend it to all who suffer from Bilious Attacks or any disease caused by a disarranged state of the Liver."—W. R. BERNARD, Kansas City, Mo.
