Reasonable Advice.

Purchasers of goods, says the Scout, will be benefited in the long run by patronizing exclusively the merchants who advertise. The reason for this is obvious.

When General Butler was a young man he was examined for a department clerkship.

The question, "What states and territories would you cross going from New York to the Pacific coast?"

Can't Sleep

TRIED IN THE CRUCIBLE.

S.S.S.

About twenty years ago I discovered a little sore on my cheek, and the doctors pronounced it cancer. I have tried a number of physicians, but without receiving any permanent benefit.

Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up.

My general health had been bad for two or three years—I had a hacking cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to give S. S. S. a fair trial.
