A Midnight Blaze.

At 11:30 last night the fire bell H sounded an alarm. Flames were ris-ing from the steamer Gleaner, lying at Wilson & Fisher's dock, and when the department got there, which was in a very few minutes, the house and after cabin were in a blaze. The fire appears to have caught around the boiler and though quickly subdued, damaged the boat to the extent of about \$350, without insurance. The boat is owned by Peter and Jacob Jordan, and is worth about \$3,500. About the time Twos had a stream

on, the fire bell rung again and the ory was raised that there was another fire up town, which fortunately proved to be a false alarm.
