A Prevailing Issue.

Andrew Carnegie, who is a the government of Ireland would the contest now raging in Great land has been a failure. This conviction on their part would have a tendency to increase the bitterprivilege. The Scotch have not advantages of such a concession to that ancient kingdom. The oncession to Ireland logically involves a similar one for Scotland. The result has long been foreseen by many British statesmen. The question has now become larger than its former relation to Ireland. It involves the broader discussion and demand of similar privileges for Scotland.

Extensive preparations for the safe execution of the law in the condemned anaechists are being made in Chicago. The sheriff has John Lazarus, St. John, N. B. limited the number of those who will be present at the execution to those whom the law requires to be present and to a very few press representatives. The gloom which has marked the condemned for several days continues to deepen on all except Parsons, who keeps up excellent spirits.

THE FATHER OF MANY ILLS, Constipation leads to a multitude of physical troubles. It is generally the result of carelessness or indiffer ence to the simplest rule of health. Eugene McKay, Brantford, Ont.,

writes: I had for several years been a sufferer from constipation, had taken a great many different remedies, some of which did me good for a time, but only for a time, then my troubles came back worse than ever. I was induced by a friend; whom Brand-RETH'S PILLS had benefited, to try them. I did so taking two each night for a week, then one every night for about six weeks. Since that time I have not experienced the slightest difficulty whatever, and my bowels move regularly every day. I believe firmly that for sluggishness of the bowels and biliousness BRANDRETH'S PILLS are far superior to any other.

Professor David Swing speaks of men who have "an unconscious memory." Such men generally remain in debt.
