I finally commenced taking Ayer's Pills. In a short time my digestion and appetite went into 'effect' there were, I think, but six saloons in the county, all paying license, yielding, if my memory serves, \$2,000 yearly to the school fund. At the election all these places but the election all these places but Toledo voted prohibition. Result: Toledo only licensed place in the county, pays for two saloons \$400 per year; has no drunkenness or rowdyism. Chehalis, Centralia, Winlock, Napavine and Olequa all have saloons, total number of which is seven, which pay no license, keep open doors, and have more rowdyism than ever. If the more rowdyism than ever. If the nine saloons in the county paid the old license of \$300 each, with the extra one or two hundred at Chehalis for city privileges, the county would have a revenue of county would have a revenue of over \$3,000 for the school fund. Oh, yes, we like prohibition."
