The Century for November at Griffin and Reed's.

Since January 1st 74 marriage licenses have been issued from the county clerk's office.

The British bark Fiji cleared for Hull yesterday, with 79,397 lbs. wheat, worth \$53,700.

For good job work at low prices go to THE ASTORIAN job office, corner Third and Cass streets.

George Johnson and others will make prohibition speeches at a mass meeting in Liberty Hall to-night.

There was a pleasant dance at Liberty Hall last evening, those present enjoying themselves to the utmost.

The Seattle Express company have got into Hoquiam, via Olympia and talk of extending their line through to Astoria.

A Mishawaka correspondent writes that a number of sheep have recently been killed in that neighborhood by a gray wolf and a panther.

Under orders from superintendent Blakeney, Capt. Al. Harris has engaged a new crew at the Cape Hancock life station with Alex. McLenn as first assistant.

There is a bag of books weighing one hundred pounds at the post office belonging to this office that any one can have if they will tell us what they are and take them away.

A Port Townsend dispatch of the 3rd says that the English ship Duchess of Argyll, heard master, from San Francisco October 31st, for Burrard's Inlet, is ashore on San Juan island, opposite Neah Bay.

There is little lumber going east from the Columbia at present; the local trade and the steady California demand taking all available supply.

The Sound mills are sending lumber east at the rate of 5,000,000 feet a month.

In Pacific and Wahkiakum counties land can now be filed upon within the indemnity limits, a full description of which was recently published in THE ASTORIAN. There are over 50,000 acres of such land in the two counties.

According to the practice of the land department no person who is a relative, either by blood or marriage, or in the employ of the claimant, or in any way connected with him in business or trade, can be taken a witness in making final proof.

The dam in the Clackamas river for the fish hatchery was completed a few days since. Some parties have claimed, says the News, that the salmon in the hatchery are not genuine chinooks. State fish commissioner Thompson denied these statements yesterday.

H. N. Warren, the Pacific county mail contractor, who has been repeatedly charged with neglect and refusal of duties has an eight months' contract to carry the mail from Oysterville to the Willapa for \$2,847. The contract part of it is all right, if the mail will only be carried.

In 1880, Clatsop county's vote was 970; in 1882, 1,205; in 1884, for president, 1,544; in 1886 for congressman, 1,820, the largest vote ever polled in the county. The state vote at that election was 54,954, of which the vote for Miller, the prohibition candidate for congress was just five per cent., 2,753. There will be probably 1,700 votes cast in this county next Tuesday, and 55,000 in the state.

Among other Alaskan curios F. H. Poindexter brought down with him on his recent return, a Chilcat blanket. It is very large and heavy, made of the wool of the mountain goat, impervious to water, is dyed of various colors and ornamented with whales' heads and other totems, forming a unique and valuable memento of a singular people. The blanket represents four months' uninterrupted work of an Indian, and is valued at \$100.

From Chicago, says the News, it is reported that secret negotiations have been going on for the past ten days between the transcontinental roads and the Canadian Pacific to bring about a cessation of the rivalry for Pacific coast business which has forced rates down to so low a point. These have progressed far enough to demonstrate that the foreign road is willing, providing it is allowed, on account of its circuitous route, to charge 10 per cent. less on through freight than the American roads.

There is a strong probability that, if better terms cannot be made, this will be accepted. This would result in a general advance in freight rates to and from the Pacific coast points.

The members of the Y. W. C. T. U., are urged to attend the meeting at the Y. M. C. A. Hall this afternoon, at two o'clock, for the transaction of special business.

LATEST NEWS BY TELEGRAPH.

LOUISVILLE, Ky., Nov. 4.—Chas. B. Brownfield, a gambler, murdered his wife and baby and brother-in-law, W. F. Bruner, last night, and then hanged himself. Brownfield left a letter explaining the particulars of his dreadful crime. He stated that he was tired of life from gambling, that he would not leave his wife and child helpless and destitute on the world and that he murdered Bruner because he was unfit to live.

A ST. LOUIS SENSATION. ST. LOUIS, Nov. 4.—The remains of the unexploded dynamite bomb was found last night in the ruins of the Fortcath street explosion, but the detectives believe it was placed there yesterday by some sensationalists who have been writing to the newspapers, claiming they were the agents of the horrible crime.

MURDERED WHILE ON DUTY. CHICAGO, Nov. 4.—Early this morning in a lonely part of the west side, police officer Keegan was found lying dead upon his back, with a wound in his forehead which had evidently been done with a blunt instrument. The officer was murdered while on his beat and when found still clasped his revolver in his hand, but it had not been discharged; there is no clue as yet to the perpetrator of the deed.

A DESTRUCTIVE FIRE. NASHVILLE, TENN., Nov. 4.—A fire early this morning on College street caused a loss of \$50,000 to Weekly & Warren's furniture stock, \$17,000 to Atwell & Mead's furniture stock, and \$50,000 to Webb, Sevenson & Co.'s hardware stock. Loss on buildings, \$65,000. The insurance amounts to three-fourths of the loss. During the progress of the fire the walls fell and a number of people were injured; some, probably, fatally.

Dickinson, of Michigan will be the next postmaster general unless he declines appointment which has already been tendered him.

A BRITTLE BUSINESS. NEW YORK, Nov. 4.—Representatives of all the present glass factories of the United States were in conference yesterday. It was decided to shut down every glass factory in the east at the close of the present month.

A Few Facts for Tax-Payers. The following speaks for itself and is published to show the situation of some of the cities in Kansas and Iowa, the famous prohibition states:

Taxes in Des Moines, Iowa, are \$6.20 on the \$100, or four and a half times as heavy as in anti-prohibition Kansas City. Des Moines has 1,700 vacant buildings, 61 of which are brick stores.

Taxes in Atchison, Kansas, are \$5.65 on the \$100. On the 28th of June the city's expenses had exceeded her revenue by many thousand dollars and the city council voted to dismiss the fire and police departments and turn off the gas, water and electric lights.

Taxes in Topeka, Kansas, are \$4.28 on the \$100 and the city is without funds to meet the current expenses. Taxes in Atlanta, Ga., under prohibition, have increased 40 per cent. and the city has had to sell \$90,000 of gas stock which it owned to meet its expenses—under license the revenue was ample for all purposes.

The Gen. Canby goes to the fort at six o'clock this morning and will bring up the officers and two companies—except a detachment of twenty men who will remain—to take passage on the Oregon for San Francisco, after which the Gen. Canby will make her regular trip.

Released on Bail. The petition of Gus Bengens and others (the fishermen indicted at Montesano last month for complicity in the trap-cutting outrages on Gray's Harbor) praying for release on writ of habeas corpus, was denied by Judge Allyn at Tacoma, and the prisoners remanded to the custody of the sheriff of Chehalis county, and permission granted him to have them confined in the Thurston county jail until they should be released on bail, or by other due process of law. The judge reduced their bail from \$300 each to \$400 for each man. Alex. Sutton secretary of the Columbia River Fishermen's Protective union, assured Sheriff Bush that the requisite security would be furnished at Montesano, and last Wednesday the men were brought to that place and bail furnished, with C. N. Byles and T. J. Shanley as sureties, they being made safe against loss by a deposit of \$3600 cash in the bank of C. N. Byles & Co. at Montesano. Thursday the men were released from custody, and they are now on the harbor fishing as of yore.—Aberdeen Herald.

SKIN SCALP BLOOD

Having been a sufferer for two years and a half from a disease caused by a bruise on the leg, and having been cured by the CUTICURA Remedies when all other methods and remedies failed, I deem it my duty to recommend them. I visited Hot Springs to no avail, and tried several doctors without success, and at last our principal druggist, Mr. John P. Finlay, (to whom I shall ever feel grateful), spoke to me about CUTICURA, and I consented to give them a trial with the result that I am perfectly cured. There is now no sore about me. I think I can show the largest surface where my sufferings sprang from of any one in the State. The CUTICURA Remedies are the best blood and skin cures man can take. I refer to druggist John P. Finlay, and Dr. D. C. Montgomery, both of this place, and to Dr. Smith, of Lake Lee, Miss. ALEXANDER BRACH, Greenville, Miss. Mr. Brach used the CUTICURA Remedies, at our request, with results as above stated. A. E. FINLAY & CO., Druggists.

SAVED MY MOTHER'S LIFE. Ever since I can remember, my mother has suffered from milk leg. Nothing would do her any good. She had the best medical talent, but they all did her no good. She suffered with her leg for thirty years and never knew a well day. She would have to sit up half the night, looking up her leg and moaning. She had no peace. She used all the best known remedies in the country without effect. I asked her to try your CUTICURA Remedies, and she took it, and has taken in all about six or seven bottles, and now she is a well woman to-day. Her leg is entirely healed, and her health was never better. She can go out every day, something she has not done in ten years, so you see I cannot help stating to you about your wonderful CUTICURA Remedies. You have saved my mother's life. I cannot find words to express my gratitude. I have advertised your CUTICURA Remedies far and near. EDWARD LUEDER, 1565 Broadway, N. Y.
