Gleason, the horse-tamer, says that the word "Whoa" should never be spoken to a horse unless it is desired that he stop still. A lad near Albany, N. Y., knows what sound advice this is. He was on a mowing machine and fell in front of the knives. As he fell he shouted "Whoa" to his horses and they stopped. The cutting knife of the machine was resting on top of the boy's foot when he was taken up. Had the horses taken a single step more, the lad's foot would have been mangled.

The editor of the Washington Farmer was recently informed by the secretary of the territory that the first cargo of shingles shipped from Olympia to Pittsburg so amazed the Pennsylvania mart that they expressed their incredulity by writing to the secretary of this territory for an affirmation, or oath, as to whether or not the shingles were genuine cedar. The dealers did not believe that it was possible for our territory to produce such cargoes, free from knots and blemish, and in apparently such unlimited quantities.

The anarchists throughout this ountry and Europe announce that they will assume the care of providing for the families of their executed brethren. That is the one practical and legitimate idea which they have evolved from all their sayings and doings. It is almost too practical to commend itself permanently to their favor. If they hold to the principle and keep on with their anarchistic propagandism in this country they will eventually have a big family on their hands.

Is often the beginning of serious affections of the Throat, Bronchial Tubes, and Langs. Therefore, the importance of early and effective treatment cannot be overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and fre-quent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intense-ly. After trying various remedies, with-out obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was Speedily Cured.

I am satisfied that this remedy saved my life. - Jno. Webster, Pawtucket, R. I. I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician ordered the use of Ayer's Charry Pectoral. His instructions were followed, and the result was a rapid and permanent cure.—
H. E. Stimpson, Rogers Prairie, Tex.
Two years ago I suffered from a severe Cold, which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it I contracted a severe cold, which

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my Lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers. — Mrs. Ann Lockwood, Akron, New York.
