My friends recommended me to try Ayar's Sarsayarilla, which I did, and I am now as healthy and strong as ever. - Mrs. E. L. Williams, Alexandria, Minn. CRUCIBLE

About twenty years ago I discovered a little sore on my check, and the doctors pronoun it cancer. I have tried a number of physicians, but without receiving any permanent benefit. Among the number were one or two specialists. The modicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors oculd notice that my cancer was healing up. My general health had been bad for two or three years-I had a backing cough and spit blood continually. I had a sovere pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the stre of a half dime, and it is rapidly disappear ing. I would advise every one with cancer to

give S. S. S. a fair trick. Mus. NANCY J. McCONAUGHEY, Ashe Grove, Tippecanos Co., Ind .
