Edison's Phonograph.
New York, Nov. 18.—An exhibition of Edison's perfected phonograph was given privately in this city yesterday. Edison expects to have a German patent soon. In the old phonograph the chief deficiencies were the impossibility of making an adequate impression upon the tin-foil or wax sheet to receive the marks of the needle point carried by the vibrating diaphragm. It was necessary to shout against the diaphragm, and even then the resulting sounds were mostly caricatures of the original. At yesterday's test the phonograph distinctly read off a page from "Nicholas Nickleby," whistled "Yankee Doodle" and sang "Hail Columbia." In the former test 345 words per minute were talked into it and they were successfully recorded. This indicates its possibility as a substitute for the stenography. So far as the mechanism of the new phonograph may be described at present, it consists of a cylinder which revolves upon itself, and also has a side movement governed by a very fine thread, so that a fixed pencil would trace upon the cylinder spiral with lines almost touching. The motive power used is an electric motor devised by Edison. The phonographs will be sold in the shape of small cylinders 1 1/4 inch in diameter and from 1 inch to 4 inches in length. The 1 inch phonographs will contain 200 words or what is considered quite sufficient for an ordinary business letter. They will cost 15 cents a dozen, full size. The phonographs of four inches in length will contain from 800 to 1,000 words, according to the rate of speed of the speaker, and will cost about 36 cents per dozen.

Have you taken a cold? You can cure it promptly with Ayer's Cherry Pectoral. The safest remedy for throat and lung troubles.

The Missing Boy.
SAN FRANCISCO, Nov. 22.—Detectives have been assiduously endeavoring to find young Dewey Ensign, the boy who ran away from his mother at Seattle, W. T. last July, and is now wanted to claim a \$35,000 fortune left him by his father, who died near Kansas City. The older Ensign was formerly captain of the ship *Blue Jacket*, and left a fortune of \$70,000. One-half of the money was left to the widow and the other half to the son, in the event that he returned to his mother and was present at the opening of the will, which was to occur on the 5th of February next. If the boy did not return to claim his inheritance, the \$35,000 was, according to provisions of the will, to revert to a nephew of decedent. All efforts to find young Ensign were in vain and nothing was heard in regard to him until the detectives learned that a boy answering his description had been living with a man named M. E. Vermason, at Lemoore, Tulare county, this state. Vermason sent the officers a piece of a vest worn by the boy, who had previously left his employ, and the detectives then sent him a picture of the missing lad. Yesterday the detectives received a dispatch from Vermason, saying that the picture was that of the boy who had worked for him. Further search will immediately be made.

A TWENTY YEARS' EXPERIENCE
770 BROADWAY, N. Y.,
March 17, 1886.
I have been using Allcock's Purgative Plasters for 20 years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back ALLCOCK'S PLASTERS fill the body with nervous energy, and thus cure fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin or cause the slightest pain, but cure sore throat, croupy coughs, colds, pains in side, back or chest, indigestion and bowel complaints.

Senator Edmunds Interviewed.
"Good morning, senator. How is your health?"
"Splendid."
"How is the political?"
"Good day."—*Providence Journal*.

"Habit" is hard to overcome. If you take off the first letter, it does change "a bit." If you take off another, you have a "bit" left. If you take off another, the whole of "it" remains. If you remove the other, it is now "it" totally used up. All of which goes to show that if you wish to be rid of a bad habit you must throw it off altogether.
