### Convicts In Iron Cages.

Says a Paris dispatch to the London Daily Telegroph: Five hundred of the worse criminals in France have just left their country for, it is hoped, their country's good. They were shipped off yesterday on board the Orre at Toulon for the penal colony at Cayenne. Among them were the food, restoring the nervous forces to rascal Delmasure, who broke open their normal condition, and for purifya tomb at Moutmartre; Sicard, a fratricide; a count who had got in who had m de desperate attempts to rob and murder, among them being several Arabs. Sicard, the fratricide, became obstreperous during the murch to the ship and kicked a gendarme. He was seized immediately and put in chains, but even then made a large transport of the special section of the to trouble, and a host of persons chains, but even then made a dash to get overboard, in which attempt he was fustrated. The convicts were shut up in iron cages placed on the vessel. Over them marines armed with loaded muskets kept strict watch during the voyage, and at the slightest the marines.

E. L. Williams, Alexandria, anna.

I have used Ayer's Sarsaparilla, in my family, for Scroulae, and know, if it is taken faithfully, that it will thoroughly cradicate this terrible disease. Of failing health, whether in the form of Night Sweats and Nervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of ing, enriching, and vitalizing the blood. Failing Health.

### Dyspepsia Cured.

It would be impossible for me to de-scribe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was unde

tions while they fight.

Somebody wants to know how to pronounce Djornstern. Just consider the "j" to be an "i," and pronounce it "e," and you get "Beeyornstern," and that is what it is.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regulates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered.—

it cancer. I have tried a number of physicians but without receiving any permanent be Among the number were one or two specialists. The medicine they applied was like fire to the sore, causing intenso pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years-I had a hacking Sough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half dime, and it is rapidly disappearing. I would advise every one with cancer to give S. S. S. a fair trial.
