An Important Event.

SAN FRANCISCO, Nov. 25 .- Mayor Pond, chairman of the committee of the board of trade appointed to arrange for a proper celebration of the California & Oregon line, has called a meeting for tomorrow evening, to make preliminary arrangements for the celebrati m. In response to a dispatch from this city, the mayor of Portland has remed announcing a desr and well gress of the authoristes and mercuants of that city to join in hearty co-o e ation with any celetration there that may be

An opinion is expressed by Port and people that arrangements should be made to have a portion of the programme celebrated in Portland. It is believed from all that can be learned thus far that a grand excursion from San Frane see to Portland and return will form a conspicuous feature of the celebration. A special train, it is understood, will be provided by the railroad company, and merchants and railroad officials will travel to Portland. An Oregon delegation of citizens will return with them, and all the way down receptions will be given to the guests by tows along the road, at Redding, Red Bluff, Chico, Marys

In this city the plan is to have a grand barquet, with speeches by prominent citizens and state and municipal officers. It is the feeling among many persons that the completion of this line that is to unite Oregon and the whole northwest with California is an event second only in importance to the driving of the last spike in the first overland line to this city, and an event that should be observed in a manner commensurate with its im

There are still nine miles of track to be laid on the northern grade of Siskiyou mountains before there will be any connection with the track at Ashland. This work will take at least a week, so its not likely that connection wil be effected by the 1st prox., as an t cipated. It is planned to have the celebration in this city about the 15th, the excursion, if arranged taking place before that date. The Souttern Pacific company has of fered a liberal sum toward defraying the expenses of the grane event, and mayor Pond expres-es his conviction that there will be no difficulty in securing ample

funds from other sources. SACRAMENTO, Nov. 25 .-- Mayor Gregory has written to the mayorof San Francisco, Portl nd am-Salem, Oregon, asking their coopera ion with citizens of Sacra mento in the celebration of the driving of the last spike of the Cal

AYER'S Sugar-Coated Cathartic

If the Liver becomes torpid, if the PILLS bowels are constipated, or if the stomach fails to perform its functions properly, use Ayer's Pills. They are invaluable. For some years I was a victim to Live

Complaint, in consequence of which I suffered from General Debility and Indigestion. A few boxes of Ayer's Pills restored me to perfect health.—W. T. Brightney, Henderson, W. Va.

For years I have relied more upon Ayer's Pilis than anything else, to

Regulate

my ocwels. These Pills are mild in action, and do their work thoroughly. I have used them, with good effect, in cases of Rheumatism and Dyspopsia.—G. F. Miller, Attleborough, Mass. Aver's Pills cured me of Stomach ar

Liver troubles, from which I had suffered for years. I consider them the best pills made, and would not be without them. - Morris Gates, Downsville, N. Y. I was attacked with Bilious Fever, which was followed by Jaundice, and was so dangerously ill that my friends despaired of my recovery. I commenced taking Ayer's Pills, and soon regained my customary strength and vigor.— John C. Pattison, Lowell, Nebraska.

Last spring I suffered greatly from a troublesome humor on my side. In spite of every effort to cure this cruption, it increased until the flesh became entirely raw. I was troubled, at the same time, with Indigestion, and distressing pains in

The Bowels.

By the advice of a friend I began taking Ayer's Pills. In a short time I was free from pain, my food digasted properly, the sores on my body commenced healing, and, in less than one month, I was cured.

—Samuel D. White, Atlanta, Ga.

I have long used Ayer's Pills, in my family, and believe them to be the best pills made.—S. C. Darden, Darden, Miss. My wife and little girl were taken with Dysentery a few days ago, and I at once began giving them small doses of Ayer's Pills, thinking I would call a doctor if the disease became any worse. In a short time the bloody discharges stopped, all pain went away, and health was restored. pain went away, and health was restored.—Theodore Esling, Richmond, Va. ††
