In Brief, and to the Point.
 Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.
 The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.
 Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.
 But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

 Dublin's Lord Mayor Sent to Prison.
 LOUISVILLE, Ky., Dec. 2.—The town of Eminence, Kentucky, was partially destroyed by fire early this morning. The flames were raging and at 4:30 A. M. one-third of the business portion of the town was in ruins. The wind is blowing hard and there is no chance of stopping the conflagration unless the wind changes.

TURBULENT PARISIANS.
 PARIS, Dec. 2, noon.—Everything is quiet throughout the city thus far. The police declare they arrested M. Paul De Boulede and Louis Michel yesterday to save them from violence at the hands of the crowd. The papers are generally of the opinion that after the events of yesterday president Grevy cannot postpone his resignation. They approve the attitude of the chambers as calm and dignified.

FORCED TO RESIGN.
 PARIS, Dec. 2, 1:30 P. M.—President Grevy's resignation has been sent to the president of the senate and chamber of deputies. It will be read at the opening of the sitting of the chambers.

A SINGULAR SPECTACLE.
 DUBLIN, Dec. 2.—Lord mayor Sullivan took his seat on the judge's bench in the court of assizes to-day, and kept it until his commission was read. He then made a formal protest against the omission of his name and withdrew from court. Sexton and the high sheriff accompanied him in his withdrawal.

ANOTHER ARREST.

 WILL BE A LONG MESSAGE.
 NEW YORK, Dec. 2.—A Washington special to the Tribune says: the president, at a meeting of the cabinet yesterday, submitted a rough draft of his forthcoming annual message to congress, and it will again be submitted on Friday to the cabinet in the form in which it is to be sent to congress. Meanwhile speculation is rife as to what will be one of the longest official documents ever written by Mr. Cleveland. Those who know say it will contain 22,000 words.

INFANTILE SKIN DISEASES
 Our oldest child, now six years of age, when an infant six months old was attacked with a violent, malignant disease. All ordinary remedies failing, we called our family physician, who attempted to cure it; but it sore d with almost incredible rapidity, until the lower portion of the face, in the person, from the middle of his back down to his knee, was one wild rash, ugly, painful, blotchy, and malignant. He had no rest at night, no peace by day. Finally, we were advised to try the CUTICURA REMEDY. The effect was simply marvellous. In three or four weeks a complete cure was wrought, leaving the little fellow's skin as white and healthy as though he had never been attacked. In my opinion your valuable remedy saved his life, and to-day he is a strong, healthy child, perfectly well, no repetition of the disease having ever occurred.

THOUSANDS OF CHILDREN.
 Are born into the world every day with some cutaneous affection, such as milk crust, scall head, scurf, or dandruff, rare to develop into an annoying eczema, the itching, burning and disfigurement of which make life a prolonged torture unless properly treated.
 A warm bath with CUTICURA SOAP, an exquisite skin beautifier, and a single application of CUTICURA, the Great Skin Cure, with a little CUTICURA LINIMENT, the New Blood Purifier, is all that is needed to arrest the progress of the disease, and point to a speedy and permanent cure.
 Hence, no mother who loves her children, who takes pride in their beauty, purity, and health, and in bestowing upon them a child's greatest inheritance—a skin without a blemish, and a body nourished by pure blood, should fail to make trial of the CUTICURA REMEDY.

Sold everywhere. Price: CUTICURA, 50 cents; SOAP, 25 cents; LINIMENT, \$1.00. Prepared by the POTTER DRUG AND CHEMICAL CO., BOSTON, MASS.
 Send for "How to Cure Skin Diseases," 64 pages, 50 illustrations, and 100 testimonials.
 BABY'S Skin and Scalp preserved and beautified by CUTICURA MEDICATED SOAP.

Constitutional Catarrh.
 No single disease has entailed more suffering or hastened the breaking up of the constitution than Catarrh. The sense of smell, of taste, of sight, of hearing, the human voice the mind—more or more, and sometimes all, yield to its destructive influence. The poison it distributes throughout the system attacks every vital force, and breaks up the most robust of constitutions. Ignored, because but little understood, by most physicians, impenitently agonized by quacks and charlatans, those suffering from it have little hope to be revived if it is not treated at its source. It is then, that the popular treatment of this terrible disease by means of the RADICAL CURE, all passed into hands at once competent and successful. The new and hitherto untried method adopted by the RADICAL CURE, the preparation of his RADICAL CURE has won the hearty approval of thousands. It is instantaneous in affording relief in all head colds, croup, quins, and all obstructed breathing, and rapidly removes the most oppressive symptoms clearing the head, sweetening the breath, restoring the senses of smell, taste, and hearing, and neutralizing the constitutional tendency of the disease towards the lungs, and in general.

S. WOOD'S RADICAL CURE consists of one bottle of the RADICAL CURE, one box of CATARRHAL SOLVENT, and IMPROVED INHALER; price, \$1.00.

A Bad Bet to Lose.
 A rather singular bet was made in this city on Friday night, previous to the election of Saturday. No money was wagered, but it was agreed that the winner should be privileged at any time within four weeks to call up the loser at any time, night or day, and in any place, and proclaim in loud tone, "I own this man. He dare not deny it. I possess a secret about his life that puts him completely in my power. He dare not refuse to do anything I tell him. To prove my assertion I will order him to treat every one within the sound of my voice to champagne." Imagine the situation should this be sprung upon the unfortunate loser in a crowded cafe, or at a business meeting, or at a banquet. It was mutually agreed that no odds how offensive the tone or matter might be, the loser dare not resent it. The manner in which the gentleman got on the wrong side of the fence in avoiding the other on the street and in crowded places is amusing, to say the least. He will live in dread until the four weeks expire.—Seattle Press, Nov. 28.
