Woman's Place in the World To-day.

One of the most conspicuous tendencies of the times is the increasing activity of women as an independent factor in the world's progress.

There is no doubt that her competition is giving man a close race. Thousands of young men loaf around the street corners and complain of not being able to get situations; but while they loaf the young women secure the places.

SCROFULA

I do not believe that Ayer's Sarsaparilla has an equal as a cure for Scrofulous Humors.

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully it will thoroughly eradicate this terrible disease.

I have suffered with Erysipelas. I have tried various remedies for my complaint, but found no relief until I commenced using Ayer's Sarsaparilla.

I have suffered, for years, from Catarrh, which was so severe that it destroyed my appetite and weakened my system.

Ayer's Sarsaparilla is superior to any blood purifier that I ever tried. I have taken it for Scrofula, Catarrh, and Salt Rheum, and received much benefit from it.
