Having just completed the opening of our useful as well as our ornamental, our plain as well as our decorated ware, we are now prepared for the trade in all its branches. Buying our goods direct from the manufacturers, and always paying cash, for them, we not only get them at regular trade prices, as cheap as San Francisco or Portland dealers can buy, but we also get the cash discount; and if any other dealer thinks he can undersell us, he has only to start in, and we will agree that the "long pole shall knock down the persimmons." We guarantee our patrons that for quality and quantity our prices shall be

AS LOW OR LOWER

than any other house in town. Our sales of Christmas goods have been large, for which we return thanks to our customers, but we still have a full and varied stock of as unique and beautiful goods as can be found in town, and as we have said relative to other goods, we shall not undersell any.

The expressions of admiration and satisfaction that have been made by those that have examined or bought from us have been gratifying and assure us that our efforts to please the Astoria public are appreciated. We shall continue as in the past to try and merit the generous patronage bestowed upon us.

Call and see our Dinner Sets, Tea Sets, Toilet Sets, in great variety, Crystal Ware of all kinds. Lamps, either hanging, stand, or hall in long sock, and in short, anything you want to buy.

Remember also that we are still in the grocery and provision trade and are ready to supply you with anything you want in those lines as cheap as the same quality of goods can be sold by any other dealer.

So remember the place to buy is at
