THE ASTORIAN guarantees to its advertisers the largest circulation of any newspo per published on the Columbia river.

For a pleasant time attend the soir ree at Liberty hall, this evening.

Don't fail to take a chance in that French doll at Griffin & Reed's. She's a beauty; take a look at her.

The Estella, carrying a dangerous cargo, is anchored off Smith's point yet waiting for towage to Portland.

In police court yesterday, George Stevens forfeited \$10 bail. Larry Sullivan's case was continued till Wednesday.

county official's notoriety is not to be

The Winnipeg, Lady Lawrence and Chitlagong went down to bar anchorage yesterday. The Inchgreen and Tam O'Shanter expect to go down to-day.

At eleven o'clock this morning at Holden's auction rooms there will be an auction sale of sundry effects, sold on account of departure from the intention to make such alterations and improvements in the new boat

Preaching at the Congregational church to morrow morning; subject, "The Kingdom of God;" lecture to-morrow evening, subject, "The Sea," and a Tale of the Sea."

The King Alfred from San Fran-cisco arrived in Thursday; the Thornliebank from San Pedro, and Francis Thorpe from San Francisco, arrived in yesterday, and yesterday the King Alfred and Thornliebank started inland in tow.

Captain Gee, well known for his endeavors to secure the treasure on the lost steamer Brother Jonathan, and others are building at Alameda, Cal., a steam fishing boat, which will be employed between Crescent City and Climate, Oregon.

Oregon's export lumber trade is growing. In April there were shipped east 195 carloads; in May, 91; June, 192; July, 236; August, 184; September, 153; October, 118; and November, 229; making a total of 1,408 carloads for the last eight months.

Jacob Wikau, Herman Rorke, Jacob Hendrickson and Andrew Hendrickson yesterday appeared before county clerk Trenchard and re-nounced all allegiance to his majesty, land the czar of Russia, and declared their intentions to become American citi-Zens.

pie have made an arrangement with the Northern Pacific whereby they were to have the use of the latter's ASTORIA, OREGON: SATERDAY DECEMBER 17, 1857 track into Senttle via the switchback, and that they (the Union Pacific) were to make Senttle their terminal bas the following about the Dolphin: "I firmly believe the steam schooner Dolphin was wrecked on the Oregon point on the sound.

As an instance of the most extraordinary expedition in the government service, we mention the fact that Sergeant Griffin yesterday received tele-graphic orders from Washington to go right ahead and have a new flagconstructed to immediately repole pole constructed to immediately re-place the one destroyed by the late storm. So it won't be long before the little thingumbobs will be spin-ning around on the top of the what youmaycallit, and when a storm comes we'll know it. Anditor and Police Judge Jewett, County Clerk Trenchard and Justice Cleveland yesterday canvassed the place the one destroyed by the late storm. So it won't be long before to ets the little thingumbobs will be spinning around on the top of the what youmaycallit. and when a storm

County Clerk Trenchard and Justice Cleveland yesterday canvassed the vote cast at the late city election and found the result to be as already published. The certificates were im-mediately issued to the officers elect by Auditor and Police Judge Jewett. Under the amended charter the per-sons who have certificates issued to them have until the 1st of January to qualify, and will take their offices on the first Monday, the 2nd of Jan-uary 1888.

### Constitutional Catarrh.

**Constitutional Catarrh.** No single disease has entailed more suffer-ing or hastened the breaking up of the con-stitution than Catarrh. The sense of smell, of taste, of sight, of bearing, the human voice in the mind-one or more, and sometimes all, yield to its destructive influence. The poison it distributes throughout the system attacks every vital force, and breaks up the most ro-bust of constitutions. Ignored, because but the understood, by most physiclans, impo-tently assailed by quacks and charitatans, the size of it this side of the grave, I is time, then that the popular treatment of this torri-ble disease by remedie within the reach of all passed into hands at once competent and instructions and bitherto untried methed adopted by Ur. Safford in the prepa-tiones of his Raucal. Cute has won the beatty approval of thousands. It is instan-taneous in affording relief all head colds, someting, soulding relief all head colds, meeting, and neutralizing the constitu-tional tendence of the most oppressive to the tearing the senses of smell, tasts and hearing, and neutralizing the constitu-tional tendence of the Manead of the star-ter of the RAUCAL CUTE has been for the start of the RAUCAL CUTE has been been the beatty approval of thousands. It is instan-taneous in affording relief in all head colds, meeting, and neutralizing the constitu-tional tendence of the Manead compressive the dearing and neutralizing the constitu-tional tendence of the Amead. Cute, one has of one board hearing, and neutralizing the constitu-tional tendence of the Amead. Cute, one has of caratenes (5.0%). "There Date & CHEMICALCO, BOSTOK.

Parties from Nasel report the place flourishing, although the logging business is not doing anything now. The mill company at that place did not suffer loss of logs by the late heavy rains as they have a new strong that is holding about five million feet.

The fine American ship Wm. II. This is no Raffle, but a New Year's Gift. Starbuck, which has been lately purchased to ply in the lumber trade between here and California ports, came down to Skamokawa yesterday to receive cargo. The American iron bark Annie Johnson is discharging California hay at Trullinger's dock and will take a return cargo of lumber.

An unusual sight in Astoria, and one which attracted considerable attention from many yesterday, was a mons. Some old quantity of persimi fellows who crossed the plains and have lived here from away back regarded the bright golden fruit with an almost affectionate interest and warmed with recollections of the past.

Articles were filed with the score-tary last Wednesday incorporating the Willamette Ship Building com-neny: incorporations. Edward Cachen pany; incorporators, Edward Cashen, David Stepenson, Joseph Duman, Peter Johnston, Harry Anderson, Jo seph Ewen, Frank Planchich, Edward McGee; capital stock, \$3,200, divided into thirty-two shares of \$100 each; holders, watch charms, musical instruplace of business, Portland.

At 3 P. M. to-day the strokes on the last spike in the C. & O. railroad will be given. There will be three blows, ten seconds apart, and arrangements have been made to have them soundinterior towns will jubilate over the quality sugar, and unadulterated. event, and with good reason, too. Astoria will have "last spike" exercises of her own one of these days.

This afternoon at 4 o'clock the first through train for San Francisco will leave Portland. It will consist of a mail and express car, emigrant, sleeper, smoking car, day coach, and one, perhaps two, Pullman sleepers. The entire train will go through to sleeper, smoking car, day coach, and one, perhaps two, Pullman sleepers. The entire train will go through to Oakland. For the present there will be no change in time of leaving or arrival. Freight trains will probably not be run until after New Year's.

The Walla Walla Daily Statesman says Seattle, W. T., has been selected as the American terminus of the Can-adian Pacific railroad. It is also re-ported that the Union Pacific peo-mention at Thompson & Ross'. Boston Market Tomato Ketchup in
