A Common Cold

Is often the beginning of serious affections of the Throat, Bronchial Tubes, and Lungs. Therefore, the importance of early and effective treatment cannot be overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured.

I am satisfied that this remedy saved my life.—Jno. Webster, Pawtucket, R. I.

I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician ordered the medicine he prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it

SAVE HIS LEG!
SCROFULA
BONE CURED!

LETTERS, Ga., August 11, 1887.
Gentlemen—I have been afflicted with Scrofula of the leg ever since I was a child, the disease undoubtedly being hereditary, as my mother suffered from scrofulous symptoms. As I advanced to manhood my affliction increased until the malady became burrowing and painful beyond description. In order to save my life the doctors determined to amputate my leg below the knee. The operation was successfully performed by Dr. H. V. M. Miller, of Atlanta, and Dr. W. P. R. of this city. At the loss of my leg I was left in a helpless condition. The poison was still in my system and soon began to show its effects. In a short time after large abscesses appeared on my left leg, covering it from the knee to the ankle. Frequently while at work I could be tracked by the blood which oozed from the huge boils, and the sores which were so offensive that my fellow-workmen could not stand the stench and would move away from me.

Last winter I was persuaded to try S. S. S. As a last effort I consented to do so, and about seven months ago I began taking the Specific. I soon began to feel better, and the medicine, the offensive running began to grow less and less, and finally ceased, the ulcers healed, my flesh began to grow solid, and to-day, after using twenty-one bottles of S. S. S., I am as well as I can be, and I feel as young as I was when I was ten years old, but feel no younger and stronger than I did when I was twenty-five. I weigh about 170 pounds. Nothing is to be seen of the scrofulous disease, or to testify that the torture I suffered for so many years, except the scars of the perfectly healed ulcers.

I want the world to know of the almost miraculous cure effected on me by S. S. S. I will consider it a pleasure as well as a duty to answer their inquiries. Refer to Dr. W. P. R. of Atlanta, Ga., as to the truth of my statement. Very respectfully,
D. DICK.
