# SAVED HIS LEG!

SCROFULA

# **BONE CURED!**

LITHONIA, Ga., August 11, 1887.

THE SWIFT STRIFFE CO., Atlanta, Ga.:
Gentlemen—I have been afflicted with alcoration of the legs ever since I was a child, the disease undoubtedly being hereditary, as my mother suffered from scrotled out symptoms. As I advanced to manhood my affliction increased until the malacy became harrassing and painful beyond the power of words to describe. By right fee particularly became fearfully involved, is left leg being less painfully affected. Finally, and the power of words to describe the principle of the power of words to describe the principle of the power of words to describe the principle of the point of the power of the po

were so offensive that my fellow-workmen could not stand the stench and would move away from me.

Last winter I was persuaded to try S. S. S. As a last effort I consented to do so, and about seven mouths ago I began taking the Specific. I soon began to feel the good effects of the medicine, the offensive running began to grow less and less and finally ceased, the ulcers healed, my flesh became firm and solid, and to day, after using twenty-one bottles. I am as hale and stout a man of my age as there is in Ge orgia. I am seventy-one years old, but feel now younger and stronger than I did when I was twenty-five. I weigh about 120 pounds. Nothing is to be seen of the terrible disease, or to remind me of the torture I suffered for so many years, except the scars of the perfectly healed ulcers.

I want the world to know of the almost miraculous cure effected on me by S. S. S. and I call upon those who wish to know the particulars directly from me to write, and I will consider it a pleasure as well as a duty to answer their letters. I refer to Dr. W. P. Bond, of Lithonia, as to the truth of my statement.

Very gratefully yours.
