During the recent cold snap, Astoria and Bandon were the two warmest places in the state. At La Grande, and other places in eastern Oregon the thermometer fell to 34 degrees be-low zero. That represented one extreme. At Bandon it was 14 degrees above, and at Astoria 10 degrees above, representing the other ex-treme. The 14th, 15th and 16th of January brought the coldest weather ever experienced in Oregon.

The report of the ways and means committee regarding the refunding ing of \$8.40 taxes overpaid by A. Montgomery, recommended that such amount be refunded: report adopted.

The committee on health and poice reported, recommending that J.

G. Ross be awarded the contract for

feeding city prisoners: report adopted.

The committee on health and police reported that they had investi-gated alleged cases of small pox some-time ago, and developed the fact that there was no small pox in or about the city; the report of Dr. W. D. Ba-ker was also read certifying that the cases cited were measles; the accompanying bill of \$50 was filed; the report of the committee was ordered

adopted, and their action approved.

The committee on public property
to whom was referred the bids for lighting the city streets reported rec-ommending that the city contract with J. C. Trullinger for 8 electric lights, discontinuing the one at the West Shore mills, the one at the crossing of Chenamus and Polk strects and the one at the crossing of Cedar and West Second streets, and continue the remainder in their present situation. Cn motion it was ordered that the report be referred back as incomplete, with instructions to make a fuller report.

The committee on printing, etc., was, granted further time to report. As a member of the committee Mayor Page submitted a report re-garding the western extension of Concomly street; consisting partially of a proposition from J. C. Trullinger offering for the consideration of \$2,-500 to donate a strip of land 60 feet wide to connect the streets, accom-panied by a map of the proposed ex-tension, the total length being 1,527

The matter of electing a councilman for the second ward coming up, J. Q. A. Bowlby was placed in nomination. Councilman Bergman was excused for voting.

The vote was, uye, Welch, Carruthers and Sherman; the Mayor ruled that there was no election; Counthat there was no election; Councilman Welch appealed from the decision of the chair: the question of overruling the ruling of the chair was decided by a vote of three to one, the decision of the chair being sus-

Councilman Bergman brought up the matter of the roadway and very plainly called attention to its miserable condition and contended that it ought to be put in a state of decent repair. Councilman Carruthers suggested that the crossing be taken out. Conncilman Welch thought it was a shame to ask the property owners along the line of the road to keep it in repair. Coucilman Sherman thought that that property was valu-able and the same rule ought to prevail there that prevailed in other parts of the city. Mayor Page thought that the roadway ought to be abated

as a nuisance and that the remon-strance should be published. Mayor Page then furnished writ-

dered or obtained for any city purpose. On motion the city attorney was instructed to draft an ordinance embodying the mayor's suggestions and submit it at the next meeting of the city council.

It was then unanimously ordered that the remonstrance in the matter of the roadway be published in THE DAILY ASTORIAN.

After some further discussion about Concomly street the council ad-

SAVED MY MOTHER'S LIFE.

Ever since I can remember, my mother has suffered from a milk leg. Nothing would do her any good. She had the best medical talent, but they all did her no good. She suffered with her leg for thirty yours and never knew a well day. She would have to sit up half the night, holding up her leg and moaning. She had no peace. She used all the best-known remedies in the country without offect, I asked her to try your CUTICURA REMEDIES. Got her a bottle of CUTICURA RESOLVENT, and she took it, and has taker in all about six or seven bottles, and now she is a well woman to-day. Her leg is entirely healed, and her health was never better. She can go out every day, something she has not done in ten years, so you see I cannot help stating to you about your wonderful CUTICURA REMEDIES, You have saved my mother's life. I cannot find words to express my gratitude. I have savertised your CUTICURA REMEDIES far and near.

Sneezing Catarrh.

The distressing sneeze, sneeze, sneeze, the nerid, watery discharges from the eyes and nose the painfal inflammation extending to the throat, the swelling of the mucous lining, causing choking sensations, cough, ringing noises in the head and splitting headaches,—how familiar these symptoms are to thousands who suffer periodically from head colds or influenza, and who live in ignorance of the fact that a single application of SANVORD'S RADICAL CURE FOR CATABLIN will afford instantaneous relief.

But this treatment incases of simple Catarrh gives but faint idea of what this remedy will do in the chronic forms, where the breathing is obstructed by choking, putrid mucous accumulations, the hearing affected, smell and taste gone, throat ulcerated and hacking cough gradually fastening itself upon the debilitated system. Then it is that the marvelous carative power of SANVORD'S RADICAL CURE manifests itself in instantaneous and grateful relief. Cure begins from the first application.
