# Failing Health.

Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervousness. I tried various remedies prescribed by different physicians, but became so weak that I could not go up stairs without stopping to rest. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever. — Mrs. E. L. Williams, Alexandria, Minn.

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alterative, and must say that I honestly believe it to be the best blood medicine. believe it to be the best blood medicine ever compounded.—W. F. Fowler, M. D., D. D. S., Greenville, Tenn.

Dyspepsia Cured. It would be impossible for me to de-scribe what I suffered from Indigestion and Headache up to the time I began taking Ayer's Sarsaparilla. I was under the care of various physicians, and tried a great many kinds of medicines, but never obtained more than temporary renever obtained more than temporary re-lief. After taking Ayer's Sarsaparilla for a short time, my headache disap-peared, and my stomach performed its duties more perfectly. To-day my health is completely restored.—Mary Harley, Springfield, Mass.

I have been greatly benefited by the prompt use of Ayer's Sarsaparilla. It tones and invigorates the system, regu-lates the action of the digestive and assimilative organs, and vitalizes the blood. It is, without doubt, the most reliable blood purifier yet discovered.

Contagious Blood Poison.

Mr. D. B. Adams, Union, South Caroline, writes: "I was afflicted with a terrible cassof blood poison for about thirteen months. I was treated by the best physicians, and used various kinds of remedies, but received no substantial relief. I finally tried the Swift Specific, and about four bottles cured me sound and well."

Col. B. H. Kleser, editor and proprietor of the Opelika, Ala., Tisses, under date of August §, 1881, writes: "When I was a young man, through indiscretion, I contracted a disease which has stack to me for years. Some five or six yearshoed I was troubled with pains, as as to make it difficult for me to walk. Having advertised the S. S. in my paper for several years, I concluded I would try it to see if there was any efficacy in the medicine. I commended using it according to directions and used half dozen bottles. I was one at a way station, and, getting left, I walked this seven miles and have never felt any return of the old malady. After experiencing the good offices I must say I can satisfied with the result. I am sixty-eight years of age used feel now like a young man and can so to the case when necessary and set up from six to eight thousand ems without any inconvenience. Young Men

There are many at the age of 30 to 60 who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits, a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin, whitish hue, again changing to a dark, torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dk. SPINNEY will Guarantee a Perfect Cure in such cases, and a healthy restoration of the genito-urinary organs.
