

The East Oregonian says there are devils in that country. From all accounts there are blackmailers there too.

CHICAGO is having 25-cent base-bull, and a sudden feeling of robust indifference as to what congress may do with the rest of the tariff has spread over the community.

It is a matter of history that in the last seven presidential contests Illinois has named the president four times. No Illinois presidential candidate has ever yet been defeated.

It will take 412 votes to nominate a candidate at the Chicago convention, and the Omaha Bee (Rep.) thinks that "a great many dark horses are figuring where to get the odd 411."

SCIENTISTS are asserting that cholera will visit America this summer. But then, this class once said that ocean telegraphy was an impossibility. Inventors and base ball pitchers pay little heed to scientists.

The Gresham movement is attracting attention at Washington. A congressman quotes senator Frye as having said that, in his opinion, if Mr. Blaine finally refuses to run, Judge Gresham would be the candidate.

GOVERNOR Gray of Indiana, then an whom Mr. Cleveland prefers to have the St. Louis convention nominate for vice-president, was an unpromising Republican up to February 22, 1872, when he was refused the nomination for lieutenant-governor on the Republican ticket.

FARMERS' institutes have become an institution in Wisconsin. Eighty-two were held last year in forty-five counties and 279 practical topics were discussed. More than one hundred lecturers and specialists imparted instruction and the state appropriated \$12,000 to help the thing along.

"DIDN'T KNOW IT WAS LOADED."

The young man fell dead: A friend had pointed a revolver at him. "He didn't know it was loaded!" We often hear it stated that a man is not responsible for what he does not know. The law presupposes knowledge and therefore convicts the man who excuses crime by ignorance!

Because then the blood stream is sluggish and chilled by the cold weather, and if not thinned a good deal and made to flow quickly and healthfully through the arteries and veins, it is impossible to have good vigor the rest of the year. Hence, without exception, what is now known as Warner's Log Cabin Sarsaparilla, was plentifully made and religiously given to every member of the family regularly through March, April, May and June.

Mrs. Maggie Kerchwal, Lexington, Ky., used Warner's Log Cabin Sarsaparilla for nervous sick headache of which she had been suffering for years. It has been a great benefit to me. Capt. Hugh Harkins, 1114 S. 15th St., Philadelphia, Pa., says "it purified my blood and removed the blotches from my skin." Mrs. Aarea Smith, Topton, Berks Co., Pa., says she "was entirely cured of a skin disease of the worst kind," by Log Cabin Sarsaparilla. Bad skin indicates a very bad condition of the blood.
