

The Daily Astorian.

ASTORIA, OREGON:

WEDNESDAY, MAY 23, 1888.

The latest fad in cigarette chromos is a picture of the prince of Wales, John L. Sullivan and Buffalo Bill, with arms linked, each smoking a cigarette.

In addition to the regular army of the United States, which consists of 25,000 enlisted men and some two thousand officers, the country has an organized militia force of 89,497 men, of whom 7,236 are commissioned officers.

The house in which general Grant was born has been leased by colonel Morton L. Hawkins, ex-sheriff of Hamilton county, and will be on exhibition for 100 days at the approaching centennial exposition in Cincinnati. It is to be lifted from its present foundation, put on a flat-boat, and floated down the river to Cincinnati.

In the year 1856 Melville Weston Fuller, the recently nominated chief justice for the United States supreme court, and James G. Blaine were both legislative reporters in the Maine legislature. Mr. Fuller reported for the Augusta Age, Democratic, and James G. Blaine for the Kennebec Journal, Whig.

HERE are some of the things which Mr. Depew found on opening his mail the other morning: An invitation to dinner; a request for an annual pass from New York to Albany; an invitation to dinner; a nomination for president of the United States; an invitation to dinner; a request for an autograph; an invitation to dinner; a photograph of a small infant named Channey Depew Biggs; an invitation to dinner; a request for a loan of \$10 from an enthusiastic member of the Storm Hill Depew Republican Club; an invitation to dinner.

A LARGE number of New York correspondents of newspapers in other cities gathered at the World office the other night, on special invitation, to witness the operation of making up and issuing a thirty-six page Sunday paper. These correspondents were all more or less familiar with newspaper work, but such an undertaking as that of the World is worth any one's time to behold. Would that the World's proprietors could invite every man who thinks he knows just how a newspaper ought to be run, to take a hand in issuing its quarter of a million thirty-six page edition some night.

"Heiress to Millions." The newspaper stated, and how many women, probably, read the same, and envied her. But little was she to be envied, however; for in spite of her great wealth she was miserable. It was her lot, in common with myriads of women to suffer from those "chronic weaknesses" which are peculiar to the female sex. Miserable, nervous and discouraged, she would gladly have given every dollar of her fortune for one brief installment of health. How easy, and how inexpensive, would be the journey to health, if Dr. Pierce's Favorite Prescription was selected as a remedy, and the use of the same persisted in; that is, the experience of thousands of women afflicted in the above manner, teaches us to predict so. It is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrappers, and faithfully carried out for many years. Dr. Pierce's Pellets, or Anti-billions Granules, cure sick headache, dyspepsia and constipation.

Will you suffer with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you. Sold by J. C. Dement.

Coffee and cake, ten cents, at the Central Restaurant.

Twines, Twines, Twines. J. O. Hanthorn is agent for Dunbar, MacMasters & Co.'s salmon twines on the Pacific Coast, and guarantees to satisfy the trade in prices and quality equal to any on the market.

Shiloh's Cough and Consumption Cure is sold by us on guarantee. It cures consumption. Sold by J. C. Dement.

We still have a quantity of the celebrated Underwood pure leaf lard on hand. Give it a trial before it's all gone. THOMPSON & ROSS.

You will find the Goodwin brand of butter, always a favorite in the Astoria market at THOMPSON & ROSS.

All the patent medicines advertised in this paper, together with the choicest perfumery, and toilet articles, etc., can be bought at the lowest prices, at J. W. Conn's drug store, opposite Occident hotel, Astoria.

ADVICE TO MOTHERS. Mrs. Winslow's SOOTHING SYRUP should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. Twenty-five cents a bottle.
