FOR SALE.

A French company with a capital of $50,000 has

just received from the government a

waiting permission from the Bassein authorities

in India to form a railroad that will unite the消灭 of

the island of Black Sea. The work will take five years.

The attention of the Queen of England is to be drawn to the fact

that the women who work in the

living for the upkeep of the

inhabitants of the island, at the

time being, amount to nearly

1,000,000.

The poor constitute a

large portion of the

male and female

population. Many of the

wealthy inhabitants of the

island are obliged to

obtain their means of

existence by working for
