## No One Need Remain A Dyspeptic.

"I have been suffering for over two years with Dyspepsia. For the last year I could not take a drink of cold water nor ent any meat without vomiting it up. My life was a misery. I had had recommended Simmons Liver Regulator, or which I am now taking the second bottle, and the fact is that words cannot express the relief I feel. My appetite is very good, and I digest everything thoroughly. I sleep well now, and I used to be very restless. I am fleshing up first; good strong food and Sammons Liver Regulator have done it all. I write this in hopes of benefiting some one who has suffered as I did, and would take outh to these statements if desired."

One woman who always attracts attention on drive or promenade, as much by her magnificently proportioned figure as by her fine color and beauty of feature, is the the wife of senator Davis of Min nesota. Mrs. Davis, in addition to being one of the most beautiful women at the capital, has enjoyed distinction of being one of the best dressed. Not because her gowns were imported and the embodiment of small fortunes either, for, to tell the truth, she is her own dressmaker, designing, cutting and fitting all her own gowns, and requiring only the services of a seamstress. As about everything

She begins her reform at the very foundation, her underclothes. First she does away with that indescribable garment of uncouth Ft. Stevens. Ft. Canby and Hwaco shape and no fit at all that usually covers the female form divine from waist to knee, and likewise with benumbing garters or harness like supporters, by wearing closely woven silk garments, something like tights. These cover her from toe to waist, fits as closely as her skin and are in delicate shades of Ft. Stevens, Pt. Canby and Ilwaco pink, blue, salmon and cream. Those intended to be worn with low shoes are dyed black up to the calf of the leg, the rest being cream colored. Over these are worn muslin trunks daintily trimmed with lace or embroidery and about twelve inches long on the hips. Under the glove-fitting deed are all Mrs. Davis' garments Ilwaco Freight per Ton, - \$2.00

President Cleveland's Prize for the three best babies at the Aurora County Fair, in 1887, was given to these triplets, Mollie, ida, and Rsy, children of Mrs. A. K. Dart, Hamburgh, N. Y. She writes: "Last August the little ones became very sick, and as I could get no other food that would agree with them, I commenced the use of Lactated Food. It helped them immediately, and they were soon as well as ever, and I consider it very largely due to the Food that they are now so well." Lactated Food is the best Food for bottle-led bables.
