No One Need Remain A Dyspeptic.

'I have been suffering for over two years with Dyspepsia. For the last year I could not take a drink of cold water nor eat any meat without vomiting. My life was a misery. I had had recommended Serravallo's Liver Regulator, of which I am now taking the second bottle, and the fact is that words cannot express the relief I feel. My appetite is very good, and I digest everything thoroughly. I sleep well now, and I used to be very restless. I am fleshing up fast; good strong food and Serravallo's Liver Regulator have done it all.'

Indian Depredation Claims.

WASHINGTON, July 23.—The bill providing for the adjustment of Indian depredation claims passed the house on Saturday night. California, Oregon, Nevada and the Pacific territories have all had bills pending for the relief of their citizens. The adjustment will involve claims on the Pacific coast, amounting to \$5,000,000.

Mr. Whitthorne, chairman of the committee, stated to the house that this measure met the approval of the department, and was the best upon which all could agree. Representative Hermann stated in debate that thousands of these claims are now pending before the committee, and he believed that those from Oregon alone will approximate in value nearly \$2,000,000.

The bill provides for a commissioners' court of three judges, to be known as the "court of Indian depredation claims," with authority to review all testimony and affidavits on claims now before the interior department, allowed and disallowed, and to consider others to be filed and to award to claimants the actual cash value of property taken and destroyed at the time and place of depredation. The judgment is final, but rehearings are permitted on proper showing, if made before the estimates are submitted from the treasury department to congress for the appropriation. Five special agents shall be appointed, with power to take depositions and procure investigations as the court shall order. The parties are not required to be present by attorneys, but when so present the court shall notify the attorney-general, who shall then appear and defend, on behalf of the government; otherwise not. It also provides that all testimony and reports of agents shall be entertained by the court, and such value awarded them as, in its judgement, is right and proper, without limitation by the technical rules of evidence in courts of law.

When They Leave Us. The exodus of our bodily troubles is doubly welcome if their departure is unaccompanied by pain. It is the fault of the best of commendable cathartics, which act solely upon the bowels, that in operating they gripe and weaken these organs. Hostetter's Stomach Bitters produce a laxative effect, but neither cause pain nor weaken the abdominal region of the stomach. This is precisely the alternative which a constipated, bilious or dyspeptic person should use, since a resort to it involves no bodily discomfort nor produces a violent reaction. The liver is aroused of the nerves that stomach-disturbing narcotics and sedatives.
