Ordinance No. 1048 as Amended

An ordinance regulating and prohibiting animals from running at large within the limits of the city of Astoria:

The City of Astoria does ordain as follows:

Section 1. No horses, mules, cattle, sheep, swine, or goats, shall be allowed to run at large or be herded in any of the streets, alleys, parks, or public places in the City of Astoria during any of the hours of the day or night, except when being driven through for shipment or other purposes as hereinafter provided, unless the owner or owners of such animal or animals shall first obtain permission of the owner or agent of the premises on which or in front of which it is proposed to feed such animal, and then and in that case such animal must be securely fastened with a rope in the hands of some person sufficiently able to manage and control such animal.

SIMMONS LIVER REGULATOR

NOTHING LIKE IT

Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they be advanced will prove a potent cure.

No Home should be Without It

FOR WHOSE BENEFIT

It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for **Indigestion, Constipation, Headache, Biliousness, Piles and Mental Depression.** No loss of time, no interference with business while taking. For children it is most innocent and harmless. No danger from exposure after taking. **Cures Colic, Diarrhœa, Bowel Complaints, Feverishness and Feverish Colds.** Invalids and delicate persons will find it the mildest Aperient and Tonic they can use. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION.

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."

FOR OLD PEOPLE!

In old people the nervous system is weakened, and that must be strengthened. One of the most prominent medical writers of the day, in speaking of the prevalence of rheumatic troubles among the aged, says: "The various pains, rheumatic or other, which old people often complain of, and which materially disturb their comfort, result from disordered nerves." There it is in a nut shell—the medicine for old people must be a nerve tonic.

Old people are beset with constipation, flatulency, drowsiness, diarrhœa, indigestion, rheumatism, neuralgia. These diseases are of nervous origin. Paine's Celery Compound, that great nerve tonic, is almost a specific in these disorders, and by its regulating influence on the liver, bowels, and kidneys, removes the disorders peculiar to old age. Old people find it stimulating to the vital powers, productive of appetite, and a promoter of digestion.

Sold by druggists. $1.00. Six for $5.00. Send for eight-page paper, with many testimonials from nervous, debilitated, and aged people, who bless Paine's Celery Compound.
