The Leading Question.

The tariff business is a peculiar question. Some people who are supposed to be quite smart in a general way don't profess to know anything about the vexed question or have any idea as to how it might be solved, and yet there are hundreds and thousands of people who don't know enough to go in out of the wet who can talk tariff from morning till night, and if it were left to them they could fix it out in a short time so there would be no more trouble and everybody would be satisfied.

My Poor Back!

That "poor back" is held responsible for more than its share of the sufferings of mankind. If your dog bites a man who kicks it, do you blame the dog? On the same principle the kidneys utter their protest against nervousness, impure blood, and resulting constipation. These force them to do extraordinary work in ridding the system of the poisons which are the result of effete matter retained in the blood. Then the sufferer says the "back aches;" the kidneys are diseased. "Not yet;" but they will be removed. These are the causes of kidney troubles, and Paine's Celery Compound removes them quickly. With its tonic, purifying, and laxative kidneys, making it almost infallible in curing all diseases of the nerves and kidneys. If your hopes of cure have not been realized, try Paine's Celery Compound; it gives perfect health to all who complain of "their poor backs." Price \$1.00. SOLD BY DRUGGISTS.
