Comfort Under the Waistband.

Comfort Under the Waistband.

The call of the stomach must be answered even at the cost of subsequent discomfort. How to make digestion a regular sequence of the satisfaction of appetite so long baffled medical investigation that it was almost given up in despair, and dyspepsia viewed as well nigh incurable. Hosterter's Stomach Bitters came to the rescue of the dyspeptic, and upset the theory of incurability. If it becaused with persistence, and common sense in diet be not constantly violated, the Bitters will most certainly restore vigor and tranquility to the st mach and constant regularity in its digestive functions. The dyspeptic who uses it systematically soon ceases to suffer after dinner penalties, and enjoys comfort under the waistband between meals. A beneficient change, truly, and one that is aided by a sedulous avoidance of indiscretion in eating and drinking. Constipation, biliousness, nervousness, malaria, kidney troubles and debility are easily remediable with this fine restorative.

The pastor's alliance of the District of Columbia has declared against Sunday funerals.

These are the actual steps which follow indigestion. Acker's English Dyspepsia Tablets will both check and cure this most fearful of diseases. Guaranteed by J. W. Conn, Druggist.
