BILIOUSNESS
"I unhesitatingly add my testimony to the great benefits to be derived from Simmons Liver Regulator. I was afflicted for several years with disordered Liver, which resulted in a severe attack of Jaundice. I had good medical attendance, but it failed to restore me to the enjoyment of my former health. I then tried the most renowned physicians of Louisville, Ky., but all to no purpose, whereupon I was induced to try Simmons Liver Regulator. I found immediate benefit from its use, and it ultimately restored me to the full enjoyment of health."—A. H. SHIRLEY, Richmond, Ky....."I most cheerfully recommend it to all who suffer from Bilious Attacks or any disease caused by a disarranged state of the Liver."....W. R. BERNARD, Kansas City, Mo.

Boiling It Down.

Following is an illustration of the method of condensing long winded articles, as practiced in newspaper offices. The Chicago *Tribune* puts into a few lines the material points in president Cleveland's message, thus:

To the congress of the United States: The constitution is 100 years old. The tariff is a tax. You are neglecting public business. The fishery question is still unsettled. Affairs with China and Mexico need looking after. I have no apologies to make to Sackville; he's a chump. Naturalization laws need revision. Sheridan was a great man. I am still troubled about the surplus. I refer you to the reports of the secretaries of the navy and interior, and the postmaster-general and attorney-general for information pertaining to their departments, and to the department of agriculture for anything you wish to know concerning sorghum. Let us be good.

GROVER CLEVELAND.

The failure of the Panama Canal company, so far predicted, seems at last to have come. The company has vanquished by interest. Its necessary expenses on the isthmus have been enormous, and the expenses caused by extravagance, bad management and fraud have been at least as great; but all these might have been borne if the money to meet them could have been raised on reasonable terms. But when money had to be borrowed at 90, 70, 50, and 30 cents on the dollar, so that the debt was swelled to two or three times the amount actually received, and interest had to be paid on the whole, and be paid out of the proceeds of new loans, each contracted on more ruinous terms than the last, flesh and blood could not stand the strain.

Good is slow; it climbs. Evil is swift; it descends.

PARENTS CRIMINALLY LIABLE.

More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Acker's English Baby Soother has done more to bring this about than all other causes combined. You cannot afford to be without it.
