The Navy Yard Site.

Who will get the navy yard does not seem to be as important a question at present as who will wine and dine the commission in the most recherche style when it arrives from the east. Seattle is not moving any faster in this im portant matter than Tacoma or Port Townsend. If the members of the commission only knew what is in store for their stomachs they would lay up in ordinary for a few weeks and become copper-fastened. It is intimated here that wine will flow like water, and that terrapin will be as plentiful as Pacific avenue mud. The Tacoma people are not quite satisfied yet as to where the best site for a navy yard is locatedwhether it is Gig barbor; Quartermaster's harbor or Steilacoom. But the mayor and some of the chamber of commerce people are going to take a steamboat ride to-morrow to look into the matter. But while the Puget sound ports are figuring on a site for a navy yard, they might as well bear in mind that the United States government has but one fresh water navy vard in the country. (League island at Philadelphia,) and it wants more. Why? Because the war vessel of to day and of the future is of iron, and fresh water is a far better haven for iron vessels than salt water. This is why most of the iron-clads are now lying up in Philadelphia.— Tacoma Corr. Oregonian.

My Poor Back!

That "poor back" is held responsible for more than its share of the sufferings of mankind. If your dog bites a man who kicks it, do you biame the dog? On the same principle the kidneys utter their protest against nervousness, impure blood, and resulting constitution. These force them to do extraordinary work in ridding the system of the poisons which are the blood. Then the sufferer says the eased. "Not yet;" but they will be unless the nerves are strengthened, the blood purified, and the constination removed. These are the causes system of the poisons which are the the blood purified, and the constitution of kidney troubles, and Paine's Celery
With its tonic, purifying, and laxative effect, it also strengthens the weak kidneys, making it almost infallible in curing all diseases of the nerves and kidneys. If your hopes of cure have not been realized, try Paine's Celery Comkidneys, making it almost infallible in pound; it gives perfect health to all who complain of "their poor backs." Price \$1.00.
