## Best of All

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terrebonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy.

### For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Elderly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

## An Oregon City Man Drowned.

OREGON CITY, Jan. 22.—F. W. Campbell, a prominent citizen of this place was drowned to day. For some time he has been working for the Willamette Falls Electric company as superintendent of line construction. To-day he was having poles taken from the river, and remained at the raft while the teams were absent, and evidently fell in when no one was near. He could not swim. William Fletcher, passing at 2:30, discovered Campbell's hat floating in the eddy, his coat on the bank, and a spike-pole on the raft, and gave an alarm. Search was immediately begun but the body was not recovered until 4 o'clock. He was home to dinner and was last seen by the teamsters about 2 o'clock. In the prime of life, a universal favorite, and a strong man in the community, his death is deeply regretted. He leaves a wife and three children.

If faithfully used, Ayer's Sarsaparilla will remove scrofula in whatever form it may exist.

Ayer's Cathartic Pills stimulate the appetite and regulate the bowels. Try them. Have you seen Ayer's Almanac?

## The Mining Troubles Ended.

SEATTLE, W. T., Jan. 22.—The mining troubles in this county are settled, so far as surface indications go. The workmen at Gilman and Cedar river returned to work this morning, and all the mines are now running to their usual capacity. The settlement of the trouble was caused by the issuance of a letter from H. W. McNeil, manager of the Oregon Improvement company, defining the position the company will assume towards labor organizations. Mr. McNeil states that he will employ whomsoever he pleases in the operation of the mine, without regard to affiliation with any labor organization. This is construed by the Knights to mean that the former interdict against them in the Newcastle mine has been removed, and they will be allowed to return to work.

## Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.  
When she was a Child, she cried for Castoria.  
When she became Miss, she clung to Castoria.  
When she had Children, she gave them Castoria.

Helen, six years old, had a copy of "Aesop's Fables" given to her. She looked at the title page attentively for a few moments, noticing probably the diphthong "E", in capitals, for the first time. "That A is in a hurry, isn't it, Aunt?" she said. "Why so?" said her aunt. "Because it's crowding the E."—Boston Times.

**BETTER THAN BLOODY BATTLES.**  
General Wheatcroft Nelson says: "My experience in the English army as well as in America, convinces me that nothing so thoroughly purifies the blood or adds to health, vigor and life as Ayer's English Blood Elixir." This great Remedy is sold under a positive guarantee by J. W. Conn, Druggist.

Peru's supply of guano is giving out, and now it is said to have been discovered that the whole coast is one solid mass of nitrate of soda, worth in the market from \$40 to \$60 a ton.

**CARELESS MOTHERS.**  
Many mothers have permitted their children to die before their eyes when they might have been saved. Any mother who keeps house without a bottle of Ayer's English Baby Soother at hand, runs a risk which she may sometime regret. It has saved the lives of thousands of children, and is doing so every year. J. W. Conn, Druggist.

Mr. Bump has been calling for nearly two hours. They are talking music languidly. The young lady (suddenly brightening up): "Oh, I like French opera. It has such a go to it. I like anything that has go!" He goes.—Life.

**HOW DOCTORS CONQUER DEATH.**  
Docto-Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of all deaths from cough, pneumonia and consumption, might be avoided if Ayer's English Blood Elixir were only carefully used in time." This wonderful Remedy is sold under a positive guarantee by J. W. Conn, Druggist.

## Fatal Hunting Accident.

ALBANY, Or., Jan. 22.—News from Lebanon states that yesterday John Huddleston and Joseph Klum, two young men of that place, while out deer hunting in the mountains near Waterloo, met with a fatal shooting accident. Klum raised his gun to fire at a deer, when he slipped and fell, a load of buckshot striking Huddleston, who was standing near, in the head. The latter died almost instantly, the charge of buckshot shattering his head. Deceased was aged about 20, and his parents are well-known citizens of Linn county.

## Suicide of a Woman.

LEBANON, Or., Jan. 22.—Mrs. Lou Barnes, living at Spicer, Linn county, who came recently from Kentucky, took poison this afternoon, with fatal results. She came out here to her parents, with the understanding that her husband would soon follow, but it seems he changed his mind and wrote her that he would never come. This so depressed her mind that she took the fatal dose.

**FLAMING FIRE IN THE VEINS.**  
We hold positive proof that Ayer's English Blood Elixir cures all blood poisons where else it is unobtainable and so-called purifiers fail. Knowing this we will sell it to all who call at our store on a positive guarantee.  
J. W. Conn, Druggist.
