## Rich and Poor,

Prince and Peasant, the Millionaire and  
Day Laborer, by their common use of  
this remedy, attest the world-wide rep-  
utation of Ayer's Pills. Leading physi-  
cians recommend these pills for  
Stomach and Liver Troubles, Costive-  
ness, Biliousness, and Sick Headache;  
also, for Rheumatism, Jaundice, and  
Neuralgia. They are sugar-coated; con-  
tain no calomel; are prompt, but mild,  
in operation; and, therefore, the very  
best medicine for Family Use, as well as  
for Travelers and Tourists.  
"I have derived great relief from  
Ayer's Pills. Five years ago I was  
taken so ill with

### Rheumatism

that I was unable to do any work. I  
took three boxes of Ayer's Pills and  
was entirely cured. Since that time I  
can never without a box of these pills."  
—Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my  
family upwards of twenty years and  
are completely verified all that is  
claimed for them. In attacks of piles,  
from which I suffered many years, they  
afford greater relief than any other  
medicine I ever tried."—T. F. Adams,  
Tolly Springs, Texas.

"I have used Ayer's Pills for a num-  
ber of years, and have never found any-  
thing equal to them for giving me an  
appetite and imparting energy and  
strength to the system. I always keep  
them in the house."—B. D. Jackson,  
Wilmington, Del.

"Two boxes of Ayer's Pills cured me  
of severe

### Headache,

from which I was long a sufferer. —  
Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with con-  
stipation, or suffer from loss of appetite,  
Ayer's Pills set me right again."—A. J.  
Kiser, Jr., Rock House, Va.

"Ayer's Pills are in general demand  
among our customers. Our sales of them  
exceed those of all other pills com-  
bined. We have never known them  
fail to give entire satisfaction."—  
Wright & Hannelly, San Diego, Texas.

### AMERICAN FABLES.

## A commercial traveler awoke from a sound slumber to find a Mosquito Buzzing about his head in the Darkness. He at once Arose, lighted the gas, and seizing the Bolster from the Bed he struck Vigorously at the little Insect, exclaiming: "Ah! you Pest, but I'll have your Life!"

"You are a very Inconsistent  
man, upon my Word!" replied the  
Mosquito from his perch on the  
Ceiling.

"How?"  
"Why, you have been bitten in  
twenty places by the Bugs, and  
yet you pay them no heed."

"Yes, but every Man has a Right  
to choose what Nuisance he will  
put up With. Take that, you  
Rascal!"

Moral: If a Citizen chooses to  
Excuse the Piano Pounding on the  
right, and Poison the Dog on the  
Left, no one can gainsay him.

### THE FROG AND THE LAMB.

A Lamb Who lay down beside  
a Pond for Rest and Sleep, found  
it impossible to close his Eyes on  
account of the Croaking of a Frog.  
Out of Patience at last with the  
Interruption, he sprang up and  
demanded:

"In Heaven's name, why do  
you keep that Noise going?"

"It's the only Noise I can  
make," was the Humble Reply.

"Yes. But why do you make it  
at all?"

"If I kept Quiet, Who Would  
know that I was on earth?"

Moral: Men of Blab are ex-  
cused on the same grounds.

### THE THIEF AND THE DEFAULTER.

A Thief who had been Arrested  
for Stealing an Overcoat had hard-  
ly been Locked up when a De-  
faulter in the Amount of \$5,000  
was brought in.

"Ah! but we are in Sad Luck!"  
saluted the Thief. "Allow me to  
say that I feel for you."

"Sir! I want none of your Sym-  
pathy," replied the Defaulter. "I  
don't even want your acquaint-  
ance."

"But we are both Thieves."  
"Are we? I beg to Differ. You  
ran off with another man's prop-  
erty and was Pursued by a Patrol-  
man. I borrowed money from the  
Bank's funds to Speculate in  
Wheat and was Unfortunate  
enough to lose every dollar. A  
Detective kindly asked me to ride  
over in his carriage."

"But we both Appropriated  
what belonged to another without  
his Consent," persisted the thief.

"While that is True, it Makes a  
Difference whether we wanted it  
to buy Wheat or Whiskey. Please  
keep your Distance."

Moral: The Thief went up and  
the Defaulter's friends settled the  
case by Refunding 40c on the  
dollar.

Catarth Cured.  
A clergyman, after years of suffer-  
ing from that loathsome disease, Cat-  
arth, and vainly trying every known  
remedy, at last found a recipe which  
completely cured and saved him from  
death. Any sufferer from this dread-  
ful disease sending a self addressed  
stamped envelope to Prof. J. A. Law-  
rence, 88 Warren St., New York City,  
will receive the recipe free of charge.

Another Old Custom Gone—  
I regret to see that it is not the fash-  
ion to send valentines any more,"  
remarked the maiden lady of forty-  
three as she watched all day in  
vain for the postman.

### HOW DOCTORS CONQUER DEATH.

Doctor Walter K. Hammond says: "After  
a long experience I have come to  
the conclusion that two-thirds of all  
deaths from coughs, pneumonia and  
consumption, might be avoided if Ack-  
er's English Cough Remedy were only  
carefully used in time." This wonder-  
ful Remedy is sold under a positive  
guarantee by J. W. Conn, Druggist.

Barnum's wild animals have  
been treated to electricity. They  
acted exactly like the stockholders  
of the late electrical Sugar Refin-  
ery. They howled after the shock.  
—Baltimore American.

### DYSPEPSIA, DESPAIR, DEATH.

These are the actual steps which fol-  
low indigestion. Ack-er's English Dys-  
pepsia Tablets will both check and cure  
this most fearful of diseases. Guar-  
anteed by J. W. Conn, Druggist.

In Paris, France, a big company  
has the monopoly of the funerals.  
This company handles 50,000  
bodies yearly.

Experience proves that nothing  
else so sure destroys scrofula, as  
Ayer's Sarsaparilla.

### FROZEN BLACK ANTS.

## One Man Found Who Says They Were Good Fodder.

In a group of western men who  
had eaten their dinners at an up-  
town hotel on Christmas the chat  
turned on to queer things that one  
or the other had eaten in his day.  
They all sat back and dropped the  
topic after J. B. Johnson, of Wis-  
consin, had told his story. "The  
sweetest and most toothsome deli-  
cacy I ever ate," said he, "was a  
dish of frozen black ants. It was in  
a logging camp in northern Wis-  
consin. We had run out of edibles  
during a severe and long-protracted  
snow storm and were getting down  
to boots and similar substances.  
One of the men had been chopping  
some old decayed logs for fuel.  
The wood appeared to be full of  
frozen black ants. Somehow he  
got a bunch in his mouth, and  
pretty soon we were all eating  
them. The bunches as they broke  
off looked something like a big,  
ripe blackberry, and were every bit  
as sweet and delicious. If you  
could eat them without knowing  
what they were you would call  
them a delicacy beyond anything  
you ever tasted."—N. Y. Graphic.

### Grave Doubts.

This story from Indiana. The  
son of an editor fled. His parents  
left him at home while they went  
to church. On their return he  
was nowhere to be found. He  
took two suits of clothes with him.  
The improbabilities are as follows:  
That an Indiana editor goes to  
church.

That the son of an Indiana editor  
has two suits of clothes.

It seems to be impossible to get  
any reliable news from Indiana  
lately.—Chicago Times.

### Sleeplessness.

DR. FLININ'S RFFM-DY is the best  
remedy known for insomnia, or sleep-  
lessness, which afflicts so many persons,  
and which leads to so many serious  
nervous diseases, particularly to insur-  
ity. Descriptive treatise with each  
bottle; or, address Mack Drug Co., N. Y.

### Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.  
When she was a Child, she cried for Castoria.  
When she became Miss, she clung to Castoria,  
When she had Children, she gave them Castoria.

### Definition of the Chappie.

The chappie of to-day is the old fash-  
ioned dude dipped in a little de-  
pravity. He has just brains  
enough to be a nuisance.—Balti-  
more American.

### FLASHING FIRE IN THE VEINS.

We hold positive proof that Ack-er's  
English Blood Elixir cures all blood  
poisons where cheap sarsaparillas and  
so-called purifiers fail. Knowing this  
we will sell it to all who call at our  
store on a positive guarantee.  
J. W. Conn, Druggist.

Cotton has long since ceased to  
be the product of the negro.  
When the war ceased nine-tenths  
of it was raised by the colored  
race; to day three-fifths come from  
white farms.

### CARELESS MOTHERS.

Many mothers have permitted their  
children to die before their eyes when  
they might have been saved. Any  
mother who keeps house without a bot-  
tle of Ack-er's English Baby Soother at  
hand, runs a risk which she may some-  
time regret. It has saved the lives of  
thousands of children, and is doing so  
every day. J. W. Conn, Druggist.

The cool and comforting  
announcement comes from Berlin  
that German military operations  
will not begin in Samoa until suffi-  
cient reinforcements are sent to  
the islands.

### BETTER THAN BLOODY BATTLES.

General Wheatcroft Nelson, says: "My  
experience in the English army as well  
as in America, convinces me that noth-  
ing so thoroughly purifies the blood or  
adds to health, vigor and life as Ack-  
er's English Blood Elixir." This great  
Remedy is sold under a positive  
guarantee by J. W. Conn, Druggist.

For the removal of dandruff, and  
for curing humors of the scalp,  
there is nothing better than Ayer's  
Hair Vigor.
