KISSED THE LITTLE BOY.

A Pretty Girl's Alarming Error in Street Car.

I arose and gallantly off red the Which will be sold at lowest rates, whole- lady his seat. She took the seat and smilingly said; "Here, little boy, you shall not lose your seat. You can sit on my lap," and suiting the action to the word, she lifted him up and kissed him.
After awhile, finding the boy getting rather heavy, and noticing a little incipient down on his upper lip, she said:

"How old are you, little boy?" "I was 18 years old last December," was the reply.

The pretty young lady took a good look at him, and then did like the boy who picked up a piece of red-hot iron in a blacksmith shop-put him .down without being told, and with her face suffused with blushes stopped the car and alighted before she had reached her destination. The other passengers nearly burst their sides with suppressed laughter, and the diminutive clerk alighted at the next crossing, looking nearly as red in the face as when he was firstborn .- York Journal.
