Ayer's Cherry Pectoral is in greater demand than ever. Its preparation for Throat and Lung troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most valuable remedy

**For Home Use.**

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edegerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

proved October 1, entitled "An act supplementary to an act entitled 'An act to execute certain treaty stipulations relating to the Chinese, and to defray expenses which may be incurred in the enforcement of said act by the secretary of the treasury,'" \$30,000.

The general deficiency and appropriation bill, which has passed the senate and house, contains the following appropriations in relation to the Northwest coast:

**Officials Resigned.**

PORT TOWNSEND, W. T., March 3.—Advices from Sitka, Alaska, per steamer *Ancon* to-day, state that A. H. Swineford, governor, and Barton Atkins, United States marshal, have tendered their resignations to the department to take effect to-morrow, or as soon after as their successors are appointed. The former is disposing of his property and mining interests in Alaska. The Alaskanites are urging John Brady as Swineford's successor.

**CARELESS MOTHERS.**  
Many mothers have permitted their children to die before their eyes when they might have been saved. Any mother who keeps house without a bottle of Acker's English Baby Soother at hand, runs a risk which she may sometime regret. It has saved the lives of thousands of children, and is doing so every year. J. W. Conn, Druggist.

**A Badly Mistaken Bear.**  
A Michigan girl, while picking blackberries, met a black bear among the briars. She turned to run and tore her dress on a briar so as to expose her patent wire bustle. The bear, mistaking the bustle for a circus cage, struck for the timber, leaving the girl to do without hugging until a drygoods clerk closed his store at 9 o'clock the next evening.—*Peck's Sun.*

**Catarth Cured.**  
A clergyman, after years of suffering from that loathsome disease, Catarth, and vainly trying every known remedy, at last found a recipe which completely cured and saved him from death. Any sufferer from this dreadful disease sending a self addressed stamped envelope to Prof. J. A. Lawrence, 88 Warren St., New York City, will receive the recipe free of charge.

Dr. Tanner proposes to have himself buried alive—that is, while in a trance—and be resuscitated four weeks later.

**Children Cry for Pitcher's Castoria**  
When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Brown—Green is an intellectual man—what they call a man of large grasp. Black—A man of large grasp! I should think he was. Why, when he dances in a waltz he can put his arms around "the whirled."—*Boston Courier*

Nothing equals Ayer's Sarsaparilla for purifying the blood, and as a spring medicine.

General Nobel's biggest fee was \$35,000 in the suit of the St. Louis Gaslight Company vs. the city of St. Louis.

**DYSPEPSIA, DESPAIR, DEATH.**  
These are the actual steps which follow indigestion. Acker's English Dyspepsia Tablets will both check and cure this most fearful of diseases. Guaranteed by J. W. Conn, Druggist.

**Talks With a Man Who Was Hanged.**  
"When the rope first squeezes a man's neck it hurts the skin somewhat. My throat and neck were sore and swelled for a week after I was robbed. But soon as the pressure is on he knows no more about it. I just went to sleep, and that was the end of it until I began to come to. They strung me up three times, but I just said I had no dust. The last time, I judge, I was a long time coming to; I guess they thought I was dead. When I woke up, kind o' dazed like, I was sitting in the chair, and they were hunting around the place. Then they threw the rope over the beam again, and I pointed to a stone in the hearth; they dug there and got a tomato can full of dust—about \$6,000. It was getting daylight then, and they went off. I sat quiet and stupid till the neighbors came in and put me to bed."—*Joseph Krickland in America.*

Mother—To think that my little Ethel should have spoken so impatiently to papa at dinner to-day! She never hears me talk in that way to him. Ethel (stoutly)—Well, but you choose him, and I didn't.—*Harper's Bazar.*

**HOW DOCTORS CONQUER DEATH.**  
Doctor Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of all deaths from conglis, pneumonia and consumption, might be avoided if Acker's English Cough Remedy were only carefully used in time." This wonderful Remedy is sold under a positive guarantee by J. W. Conn, Druggist.

Edward D. Davidson, a pauper in the New Haven, Conn., almshouse was once worth \$150,000.

As a toilet luxury, Ayer's Hair Vigor cannot be equaled. It is highly perfumed, and keeps the scalp clean and cool.

The only true and honest way for merchants is to charge an honest and fair per cent.
