Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Heyler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pain in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

How to Get Land.

There are three ways to gain title to the vacant government land—by homestead, pre-emption, or purchasing timber land.

Any citizen of the United States, who is the head of a family, or an unmarried person over the age of 21 years, is entitled to a homestead of 160 acres.

Persons of foreign birth may avail themselves of the benefit of this law by declaring their intentions to become citizens; they can do immediately after their arrival in this country. The land office fees are from \$16 to \$22, which must be paid at the time of filing the application. Within six months after his application at the land office the settler must commence living upon and improving the land, and thereafter for five years must make this tract his actual home. Any person qualified to take a homestead is also entitled to 160 acres under the pre-emption law—but not at the same time. Within ninety days after settlement on the land, he must file his application in the district land office where the land is located, which will cost \$3, but he must commence settlement before making his application. At any time after six months, residence and up to thirty months after filing his application, the settler may pay for the land at the rate of \$1.25 or \$2.50 an acre, according to location, and receive his patent from the United States. Railroad lands can be bought of the railroad company. They range in price from \$3 to \$6 per acre and can be had on five or ten years' time, with interest at seven per cent, or by paying cash.

HOW DOCTORS CONQUER DEATH.
Doctor Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of all deaths from coughs, pneumonia and consumption, might be avoided if Ayer's English Cough Remedy were only carefully used in time." This wonderful Remedy is sold under a positive guarantee by J. W. Conn, Druggist.

Floated by Means of Dead Cattle.

It has been said that every work of invention has its parallel in nature. But it would not be anticipated that the method of raising sunken steamers by forcing air into casks which have been secured to them would find such a parallel. Yet such has been the case on the Ohio river, where the steamer *Robt. Carson*, sank near Evansville, Ind., drowning thirty head of cattle that were confined on the lower deck. Efforts to pump the vessel out were not successful, and the boat was abandoned. A few days later, however, it was found to be floating, the fact being that the putrefying carcasses of the cattle had become inflated by the gases generated in putrefaction, and their combined buoyancy was sufficient to raise the steamer again.

BETTER THAN BLOODY BATTLES.

General Wheatcroft Nelson, says: "My experience in the English army as well as in America, convinces me that nothing so thoroughly purifies the blood or adds to health, vigor and life as Ayer's English Blood Elixir." This great Remedy is sold under a positive guarantee by J. W. Conn, Druggist.

Exercising on Ferry Boats.

The economy of time among New Yorkers is noticeable, even when they take their exercises. On every boat that runs between this city and Staten island anywhere from one to half a dozen men may be seen briskly walking around on the upper deck, which extends completely around the upper cabin on these boats. They thus gain from fifteen to twenty minutes' exercise and draw long breaths of salt air with out losing a minute of time. On the other ferry boats the same thing is seen, except that the pedestrians are obliged to walk where the teams usually stand. It is especially noticeable on the boats that make the longest trips.—N. Y. Ex.

Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

Purging Melancholy.

A druggist recently received a visit from a lantern-jawed, hollow-eyed man, who asked, in cadaverous tones, if he could give him any remedy that would drive away a nightmare-like care that was prey-ing upon his health. The man of drugs nodded, and compounded a mixture of quinine, wormwood, rubarb and epsom salts, with a dash of castor-oil, and offered it to the despairing patient, who apathetically gulped it down. History avers that for six months he could not think of anything except new schemes for getting the taste out of his mouth.—Boston Globe.

As a toilet luxury, Ayer's Hair Vigor cannot be equaled. It is highly perfumed, and keeps the scalp clean and cool.

On the same day recently the thermometer registered 40 degrees below zero at Lewiston, Maine, while at Lewiston, Idaho, it was 40 above. Both towns are in the same degree of north latitude.

DYSPEPSIA, DESPAIR, DEATH.
These are the actual steps which follow indigestion. Ayer's English Dyspepsia Tablets will both check and cure this most fearful of diseases. Guaranteed by J. W. Conn, Druggist.

The story comes from Europe to the effect that the two vessels, one loaded with silver, which went down in the gulf of Finland more than a century ago have been found.

CARELESS MOTHERS.
Many mothers have permitted their children to die before their eyes when they might have been saved. Any mother who keeps house without a bottle of Ayer's English Baby Sooter at hand, runs a risk which she may sometime regret. It has saved the lives of thousands of children, and is doing so every year. J. W. Conn, Druggist.

If marriage is a success, divorce is a successor.

FLAMING FIRE IN THE VEINS.
We hold positive proof that Ayer's English Blood Elixir cures all blood poisons where cheap sarsaparillas and so-called purifiers fail. Knowing this, we will sell it to all who call at our store on a positive guarantee.
J. W. Conn, Druggist.

It is claimed that a Chicago conductor has stolen thousands of dollars by knowing how to turn back the register. He also sold the secret to other men for \$25.

Nothing equals Ayer's Sarsaparilla for purifying the blood, and as a spring medicine.

Colorado proposes to punish all lawyers who advertise their ability to obtain "secret divorces."

The only true and honest way for merchants is to charge an honest and fair per cent.
