## The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and with great benefit to my general health."  
—Miss Thirza L. Crerar, Palmyra, Md.  
"My daughter, twelve years of age, has suffered for the past year from

### General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."  
—Mrs. Harriet H. Batters, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."  
—F. A. Pinkham, South Moluncus, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."  
—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

### Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."  
—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

## SOME INFORMATION

### Regarding Vacant Government Land.

The many inquiries being received at the land office at Oregon City for information in regard to locality and character of public lands in Oregon, says the *Oregonian*, warrant the publication of the following statement, which is furnished by the receiver, Mr. Burney:

The Oregon City land district extends to the southern line of township 13 south, to township 8 east, the Columbia river on the north, and the Pacific ocean on the west. South of this is the Roseburg district, extending to the state line.

No vacant lands are found in the Willamette valley proper, but along the foothills, on either side, and on the western slope of the coast range. In the counties of Clatsop and Columbia, the vacant lands are found back from the Columbia river, from one to five miles. All lands along the Nehalem river are entered from half a mile to two miles back. These lands are, or have been, covered with a heavy growth of timber.

In some sections forest fires have burned the timber, and only the dead trees and an undergrowth remains to be cleared away in order to fit the land for cultivation. These, as all lands in western Oregon, are well watered, and in many localities may be found good agricultural lands. The general description of different counties in the state contained in circulars issued by the board of trade, may be accepted as correct descriptions of the public lands.

The following is a reasonably accurate estimate of the vacant lands in each of the counties of western Oregon:

County.	Acres.
Clatsop.....	250,000
Columbia.....	100,000
Washington.....	40,000
Tillamook.....	600,000
Tambill.....	40,000
Benton.....	20,000
Polk.....	50,000
Multnomah.....	25,000
Clackamas.....	140,000
Marietta.....	210,000
Linn.....	440,000
Lane.....	300,000
Douglas.....	300,000
Coos.....	320,000
Josephine.....	140,000
Jackson.....	370,000
Curry.....	170,000

Intending settlers can obtain information as to the status of any reasonable quantity of lands by corresponding with the land office, free of charge, but the business will not permit descriptions of whole townships as the number of demands for such information is unlimited. A directory for western Oregon and Washington containing full information in regard to vacant lands and how to proceed to acquire title will shortly be issued.

### PARENTS CRIMINALLY LIABLE.

More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Acker's English Baby Soother has done more to bring this about than all other causes combined. You cannot afford to be without it.  
J. W. Conn, Druggist.

Kate Field says that the woman who aims to be fashionable might as well commit suicide at the start. She must neglect home, husband and children, put away comfort and convenience, be a first class hypocrite and a good slanderer, and at the end of ten years break down and become a physical wreck.

### TERRIBLE FOREWARNINGS.

Cough in the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening or sweats at night, all or any of these things are the stages of consumption. Acker's English Cough Remedy will cure these fearful symptoms, and is sold under a positive guarantee by J. W. Conn, Druggist.

He—"Believe me, dearest, when I say that I shall be the happiest of mortals if you will just consent to share my lot and—"  
She, "Just a moment, Mr. Breeze. Is it a corner lot?"

### Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.

## A Haytian Massacre.

NEW YORK, March 10.—The *World* to-morrow will contain the following: A steamer arrived at this port yesterday, bringing news of a bloody battle between Legitime's and Hippolyte's forces, and a massacre by the victors. Captain Frazer brought a copy of *La Patrie*, the Hippolyte organ, published February 23, at Gonaives, containing the following account of the battle and of the massacre at Grand Saline:

The Hippolyte forces in this city were commanded by Generals Mom Point and Jean Meseraus. Legitime's army began the attack on the outposts early in February. They were repulsed several times, but finally succeeded in carrying them, and a few days later were masters of the city, and General Meseraus' sword. Legitime's men were so elated over their success that they immediately began to pillage the town. Drunken soldiers shot one of the prisoners for some trifling matter. This was a signal for a general outbreak on the part of the soldiers. They rushed at the prisoners, shooting and stabbing them right and left, the prisoners begging hard and piteously for mercy, but their cries were laughed at and the killing went on, quarter being allowed to none. Never before had such a pitiable sight been presented. The murdered men lay huddled about in scores. Some were frightfully backed and mutilated, many of the blood frenzied soldiers having run amuck even among the corpses, plunging the swords again and again into the bodies of the slain.

General Meseran tried to stay the slaughter, but the soldiers laughed at him and warned him not to interfere if he wished to live. When a lack of victims stayed the butchers they robbed the dead and looted and burned the town. Nearly the whole place says *La Patrie*, is in ruins. Captain Fraser thinks the city must have been burned between February 23 and March 1.

### THE FIRST SYMPTOMS OF DEATH.

Knowing that a cough can be checked in a day, and the first stages of consumption broken in a week we hereby guarantee Acker's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not find our statement correct.  
J. W. Conn, Druggist.

### The Sea's Secret.

Nearly five years ago the steamship *Germania* of the Lloyd line departed from Hague, bound for New York. On board were over 1,000 passengers and a highly valuable cargo. The steamship never reached port. No tidings of her were ever heard, and although given up for lost years ago the particulars of her fate were never known.

Last Friday afternoon, while walking along the beach of "Hasser's Haven," south of Melbourne, Mr. Frank P. Hassler found a wine bottle lying on the sands. It was almost covered with barnacles and moss. On picking it up he found it had been securely corked. The neck of the bottle was broken off and the papers withdrawn. One was a blank bill lading of the steamship *Germania*, Lloyd line, printed in German. The other paper was simply brown wrapping paper, one side of which was covered with writing in German, the characters being almost illegible. After much trouble the following translation was made:

The steamship *Germania* is on fire and sinking. Gale blowing and all boats swamped. All hope is gone.

**BETTER THAN SUICIDE.**  
Professor Arnold says: "An incurable dyspeptic is justified in committing suicide." We will guarantee to cure any dyspeptic within three months by Acker's English Dyspepsia Tablets.  
J. W. Conn, Druggist.

A box of sardines was recently found in the stomach of a bear killed in Michigan. The box was nearly digested, but the sardines were all right.

### Spasms—Epilepsy.

**DR. FLINT'S REMEDY**, in cataplexy and epilepsy, at once causes the spasms to vanish, and when taken as directed, prevents the recurrence of others. Descriptive treatise with each bottle; or, address Mack Drug Co., N. Y.

## A Peculiar People.

Among the many scattered remnants of nations in India there are few more interesting than the Beni-Israel of the Bombay side. The Beni-Israel do not belong to the lost tribes, nor have they any mysterious connection with the great pyramid. Their own legends aver that centuries ago their forefathers, flying by sea from a country in the north, were shipwrecked near Kenery island, and the survivors, seven families, took refuge at Navgono, homeless, penniless, among strangers, and without the books of their law. The date of this hezira is estimated from 1,600 to 2,000 years ago.

Since that date the little colony of fourteen souls has grown into a community of 10,000, not unlike the ordinary Konkani peasantry, but religiously observing the Jewish sabbath and whatever they can remember of the Mosaic law. They have been hewers of wood and drawers of water to whatever king chanced to reign; but they are as much Hebrews to-day as they were two centuries before Christ.

Ayer's Sarsaparilla will remove that tired feeling, and give new life and energy.

### SAD WASTE OF TIME.

There was a man who had a clock. His name was Mathew Meares; He wound it nicely every day For many, many years. At last his precious timepiece proved. An eight-day clock to be: And a madder man than Mr. Meares, I would not wish to see!

The only true and honest way for merchants is to charge an honest and fair per cent.
