H. F. FISHER.

The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get Ayer's Sarsaparilla.

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoughton, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crerar, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Attolens, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

Nervous Prostration,
with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

"We Have no Information."
WASHINGTON, March 11.—At the state and navy department this morning the same reply, which is now becoming somewhat monotonous, "We have no information," is made in answer to the request for some news regarding the alleged destruction of the *Nipsic*. Walker Blaine says [the department of state utterly discredits the story. It now appears that the United States official who was stationed at Auckland, the nearest cable point to Samoa, rejoined the *Nipsic* some time ago. Nevertheless, the navy department holds that it would be informed speedily of the reported engagement through the United States consul at Auckland had any such thing happened. So in order to forward the news to Berlin the *Olya* must have run over to Auckland, and at least her arrival there would have been reported, if indeed the secret of her mission to the cable station did not leak out through some of the sailors. Captain Mulvan, of the *Nipsic*, was ordered to protect and use his good offices. These were in substance like the instructions given Admiral Kimberley, which at the time they were issued were regarded in some quarters as being too narrow and inadequate to carry out. The popular wish may be recalled, however, that Secretary Whitney said at the time in a communication before the house naval commission that it was as far as he could go then in the absence of a declared policy on the part of the government in regard to Samoa.

Swept by the Tide of Popularity
To the utmost pinnacle of success, Hostetler's Stomach Bitters stands a shining proof of what genuine merit, backed by the living force of proven facts, can attain. The North and South American continents, Europe, Australia, the West Indies, Guatemala and Mexico have all contributed wide patronage and testimony of the most favorable kind—but unsolicited—to swell the reputation of this sterling remedy. Among the maladies for which the most convincing public and professional testimony proves that it is a benign curative, are chills and fever, bilious remittent, dumb ague and ague cake, dyspepsia, liver complaint, nervousness, debility kidney and bladder complaints. It mitigates the infirmities of age, hastens convalescence, has a tendency to prevent ill consequences from exposure and exhaustion. Persons of sedentary habits and laborious occupations will find it an ever useful tonic.

A New Town.
CHICAGO, March 11.—Last June the editors of the leading agricultural papers of the county visited Northern Montana and they were so favorably impressed that they formed a stock company with \$200,000 capital to found a colony and build a town. The members of this company met here Saturday. The proposed town will be located in the center of the tract, 300 by 100 miles in extent, lying north of the Missouri river in the northeast corner of the territory, and will be situated across the river from Fort Belknap.

Children Cry for Pitcher's Castoria

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria,
When she had Children, she gave them Castoria

A Weavers' Strike.
FALL RIVER, Mass., March 11.—A weavers' strike for an advance in wages occurred this morning, and is one of the most general in the history of labor troubles here. The weaving departments of fifty mills are practically shut down, six thousand weavers are idle. The extent of the strike is a surprise to the managers, who expected only a few mills to be involved. A bitter struggle is anticipated.

THE FIRST SYMPTOMS OF DEATH.
Knowing that a cough can be checked in a day, and the first stages of consumption broken in a week we hereby guarantee Ayer's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not find our statement correct.
J. W. Conn, Druggist.

Miss Romance (at the theater)
—Note the precision with which that handsome actor steps across the stage. Every stride is exactly the same length. Mr. Bohemian (a little jealous)—Yes that habit of measuring the steps comes from walking on railroad ties.—*Philadelphia Record.*

Probable Office Holders.
WASHINGTON, March 11.—The president sent the following nominations to the senate to-day: Thomas W. Palmer of Michigan, to be minister of the United States to Spain; John F. Swift, of California, to be minister to Japan; John D. Washburn, of Massachusetts, to be minister to Switzerland; George Tichnor, of Illinois, to be assistant secretary of the treasury, vice Maynard, resigned.

WASHINGTON, March 11.—Judge Wren, of Eureka, Nevada, is endorsed by the Nevada senators for the general land office.

There are fifteen or sixteen candidates for governor of Arizona, among them George Christ and George Wolffy, of Tombstone. Ex-Attorney-General S. B. Bradford, of Kansas, has a good chance of being appointed governor of Utah.

Many candidates are in the field for governor of Montana. Colonel J. D. McCutchen, L. E. Horsfield and T. C. Power are the most prominent.

In New Mexico the candidates are Joseph Dwyer and Judge Bradford, of the territory, A. C. Morrison and General Bowman.

C. H. Harris has come to Washington to push his claims for governor of Alaska. He has fourteen rivals in Michigan, three in Wisconsin, two in Nebraska, one in Iowa and half a dozen or more in different parts of the country.

PARENTS CRIMINALLY LIABLE.
More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Acker's English Baby Sooter has done more to bring this about than all other causes combined. You cannot afford to be without it.
J. W. Conn, Druggist.

Resigning Officials.
WASHINGTON, March 11.—Judge Carey, solicitor of the treasury, has tendered his resignation to take effect upon the qualification of his successor. B. Yeman, chief clerk of the treasury department, has placed his resignation at the disposal of Secretary Windom. This is a position of a confidential character and will probably be among the first to be considered.

BETTER THAN SUICIDE.
Professor Arnold says: "An incurable dyspeptic is justified in committing suicide." We will guarantee to cure any dyspeptic within three months by Acker's English Dyspeptic Tablets.
J. W. Conn, Druggist.

Captain Ericsson's Funeral.
New York, March 11.—The funeral of the late John Ericsson, the inventor, took place to-day from Trinity church. There was a long procession. The church was crowded, and the sidewalks were packed with people. The navy was represented by officers from all the government vessels here, and others from the navy yard.

DO NOT SUFFER ANY LONGER.
Tired feeling, dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of poisoned blood. No matter how it became poisoned it must be purified to avoid death. Acker's English Blood Elixir has never failed to remove serofulous or syphilitic poisons. Sold under positive guarantee by J. W. Conn, Druggist.

Bingley—Well, have you patented anything lately? Inventor—O, yes; I have just received letters patent for my new "Prize-Fight suspender button." Biggest snap of the century. Bingley—What makes you call it the "Prize Fight?" Inventor—It never comes off.—*Terre Haute Express.*

TERRIBLE FOREWARNINGS.
Cough in the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening or sweats at night, all or any of these things are the stages of consumption. Acker's English Cough Remedy will cure these fearful symptoms, and is sold under a positive guarantee by J. W. Conn, Druggist.

It has been suggested that the word "telephrase" be considered as proper for a telephone message. The tendency of the times is to abridge.

Ayer's Sarsaparilla will remove that tired feeling, and give new life and energy.

I am receiving direct from the factories the best values and most handsome designs in Men's imported, all wool Scotch Cheviot Suits; also in Navy Blue Flannels and Yacht Cloths, besides BOYS' and CHILDREN'S SUITS, MEN'S FINE PLANTS and light weight OVERCOATS. In Soft, Felt and Stiff HATS, direct from the best manufacturers, I have obtained the latest styles and shapes, which I sell at as close a margin as can be sold, as well as any line of goods that I carry, for I do not believe in bunkum in business, such as resorting to any faking scheme as is often used by advertising a stock as bankrupt goods; an underwriter's sale; on account of removal or repairs, and selling off at cost to make room for new goods, etc., when it is merely done to force goods. The only true and honest way for merchants is to charge an honest and fair per cent. Mark his goods in plain figures, and give to each and every customer alike the same goods for the same amount of money. "One person's money is as good as another's."
