Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.
This medicine is an Alternative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—
"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.
"Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.
Another marked effect of the use of this medicine is the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.
"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presumed the malady to be hereditary. Last winter, Dr. Tron, (of Fernandina, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 148 Chambers st., New York City.
"Last fall and winter I was troubled with dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and after faithfully continuing the use of this medicine for some months, the pain disappeared, and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

THE NEWLY WED.

A Pullman Car Porter Tells How He Spots Them.
It is a Pullman porter, who is talking to a newspaper scribbler, who is contained in a recent issue, "said a citizen yesterday, "reminds me of a story told me by a newspaper man, at a funeral at Utica, N. Y., a little over a year ago:
"In the lumber district of northern New York a lumberman named Searle had married his wife and had been sentenced to be hanged. Flannagan was detailed to write an account of the hanging for the Utica Herald. He was also correspondent for the Chicago Times, Boston Globe and New York Herald. He chartered an engine and one car to carry him from the main line of the New York Central to the terminus of a branch line, where he took a buggy and was conveyed to the village where the execution was to take place.
He was very much annoyed to learn that the hour for the hanging was 1 o'clock. He went to the prison, and after a few minutes' talk, said:
"See here, Searle, if you are not executed till 1 o'clock I will not attend all my work. I'll miss my special car, as it has to be at another point on the main line at 1 o'clock, and I will not be able to get the account in any of the papers to-morrow that I represent. Now, as an accommodation to me, wouldn't you be willing to be executed at 11 o'clock?"
After a moment's reflection, Searle replied:
"Well, it is tedious waiting, and if it will be any accommodation to you I'll do it."
The sheriff, who was much more nervous than the prisoner, after some persuasion was induced to expedite matters, and Searle was hanged at 11 o'clock.
Flannagan reached his car just as it was about to start without him, and the readers of the various journals he represented were edified the next day with a full account of Searle's execution."—Tacoma Ledger.

TERRIBLE FOREWARNINGS.
Cough in the morning, hurried or difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chilliness in the evening or sweats at night, all or any of these things are the stages of consumption. Ayer's English Cough Remedy will cure these fearful symptoms, and is sold under a positive guarantee by J. W. Conn, Druggist.

The proposition to build a new executive mansion at Washington is being revived.

THE FIRST SYMPTOMS OF DEATH.
Knowing that a cough can be checked in a day, and the stages of consumption broken in a week, we hereby guarantee Ayer's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not find our statement correct.
J. W. Conn, Druggist.

Commissioner Tanner is in favor of granting the most liberal pensions to deserving Union veterans.

PARENTS CRIMINALLY LIABLE.
More than half of all deaths occur before six years of age. An army of innocent, lovely children are swept needlessly away each year. Parents are criminally responsible for this. The death rate of children in England is less than half this. Ayer's English Baby Sooter has done more to bring this about than all other causes combined. You cannot afford to be without it.
J. W. Conn, Druggist.

The yacht *Coronet* is expected at New York in a day or two from her trip around the world.

Ayer's Cherry Pectoral is adapted to every age and to either sex. Being very palatable, the youngest children take it readily.

CHILDREN CRY FOR PITCHER'S CASTORIA.
When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

The proclamation of the president concerning seal fisheries in Behring sea is not relished by the Canadians.

BETTER THAN SUICIDE.
Professor Arnold says: "An incurable dyspepsia is justified in committing suicide." We will guarantee to cure any dyspepsia within three months by Ayer's English Dyspepsia Tablets.
J. W. Conn, Druggist.

Mrs. Lucy Parsons says: "We want a revolution, whether peaceful or bloody makes no difference."
DO NOT SUFFER ANY LONGER.
Tired feeling, dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of poisoned blood. No matter how it became poisoned it must be purified to avoid death. Ayer's English Blood Elixir has never failed to remove scrofulous or syphilitic poisons. Sold under positive guarantee by J. W. Conn, Druggist.

FOR SPRING AND SUMMER
I am receiving direct from the factories the best values and most handsome designs in Men's imported, all wool Scotch Cheviot Suits; also in Navy Blue Flannels and Yacht Cloth, besides BOYS' and CHILDREN'S SUITS, MEN'S FINE FANTASIES and light weight OVERCOATS. In Soft, Felt and Stiff HATS, direct from the best manufacturers, I have obtained the latest styles and shapes, which I sell at as close a margin as can be sold, as well as any line of goods that I carry, for I do not believe in bunkum in business, such as resorting to any faking schemes as is often used by advertising a stock as bankrupt goods; an underwriter's sale; on account of removal or repairs, and selling off at cost to make room for new goods, etc., when it is merely done to force goods. The only true and honest way for merchants is to charge an honest and fair per cent. Mark his goods in plain figures, and give to each and every customer alike the same goods for the same amount of money. "One person's money is as good as another's."
