## Best of All

Some physicians, Ayer's Cherry Pectoral is the greatest demand than ever made for a preparation for Throat and Lung troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or an exposure to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy.

## For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

## A TERRIBLE DISASTER.

Sinking of the German and American Vessels at Samoa.

SAN FRANCISCO, April 1.—Further particulars of the disastrous storm at Apia have just been received. The hurricane burst upon the harbor suddenly. The German man-of-war *Eber* was the first vessel to drag her anchor. She became unmanageable and was driven helplessly on the reef which runs around the harbor. She struck broadside at 6 o'clock. The shock caused her to lurch and to stagger back, and she sank in a moment in deep water. Most of her men were under the hatches and scarcely a soul of them escaped.

The German war vessel *Adler* was the next to succumb. She was lifted bodily by a gigantic wave and cast on her beam ends on the reef. A terrible struggle for life ensued among the officers and sailors aboard. Many plunged into the raging surf and struck out, some reaching the shore in safety. Others clung to the rigging until the masts fell. Of those in the rigging only two gained the shore. The captain of the *Adler* and several other officers were saved.

Meantime the United States steamer *Nipic* had been dragging her anchors and drifting toward the shore. The captain, however, managed to keep her under control and ran her on a sand bar. Boats were immediately lowered and the whole company were saved with the exception of six men. These were drowned by the capsizing of a boat.

The United States steamer *Vandalia* was carried before the gale right upon the reef. She struck with a terrible shock, hurling the captain against a Gatling gun, and he fell stunned. Before he could recover a great wave swept the deck and washed him and others away into the sea. The vessel sank fifty yards from the *Nipic*, and several of the officers and men went down with her. Others perished while making desperate efforts to swim to shore. Some of the ship's company tried to save themselves by clinging to the rigging, but the heavy and swift-running waves dashed over them, and one by one they were swept away.

By this time night had set in. Many natives and Europeans had gathered on the shore, all anxious to render assistance to the unfortunate crews, but owing to the darkness they were wholly unable to be of service.

Soon after the *Vandalia* had sunk the American warship *Trenton* broke from her anchorage and was driven upon the wreck of the *Vandalia*, whence she drifted to the shore. The bottom of the *Trenton* was completely stove and her hold half full of water.

As the morning dawned the German man-of-war *Oiga*, which had hitherto withstood the gale, although much battered by the heavy seas that constantly broke upon her, became unmanageable and was driven upon the beach, where she lay in a tolerably favorable position.

Following is a record of the officers and men lost:  
*Eber*—Captain and all other officers except one, and seventy-six men.  
*Vandalia*—Captain, four officers and forty men.  
*Nipic*—Seven men.  
*Adler*—Altogether fifteen persons. King Matana sent a number of men to the assistance of the wrecked ships. They rendered splendid aid in trying to float the *Oiga*.

### Catarah Cured.

A clergyman, after years of suffering from that loathsome disease, Catarah, and vainly trying every known remedy, at last found a recipe which completely cured and saved him from death. Any sufferer from this dreadful disease sending a self addressed stamped envelope to Prof. J. A. Lawrence, 88 Warren St., New York City, will receive the recipe free of charge.

In January and February there were twenty-one cases of suicide at Monte Carlo. There have been several cases this month. This season is considered the most prosperous in the history of the place. The winnings in February alone amounted to £150,000.

### HOW DOCTORS CONQUER DEATH.

Doctor Walter K. Hammond says: "After a long experience I have come to the conclusion that two-thirds of the deaths from coughs, pneumonia and consumption, might be avoided if Ayer's English Cough Remedy were only generally used in time. This wonderful Remedy is sold under a positive guarantee by J. W. Conn, Druggist."

Senator Chace's resignation has thrown little Rhode Island into a perfect ferment. There are a score of ambitious men who are struggling for his place.

## THE FOUR NEW STARS.

How the New States Can Be Indicated on the Standard.

From the N. T. Graphic.  
The suggestion is made that with the addition of four new states to the Union there should be uniformity in placing stars on the Union flag. There is no provision by law for the arrangement of the stars, or for the relative size of the stars and stripes. The stars might be put into the blue ground in six rows of seven stars each, one over the other. This plan might be varied by placing the stars like the alternate squares on a checker board. As the law does not provide and it is desirable to have uniformity, these two plans are most likely to be followed. Here is the checker-board outline.

## DISEPSIA, DESPAIR, DEATH.

These are the actual steps which follow indigestion. Ayer's English Dyspepsia Tablets will both check and cure this most fearful of diseases. Guaranteed by J. W. Conn, Druggist.

Oscar Wilde has reformed, and now acts and dresses like a sensible man. Of course he isn't making so much money as when he was making a fool of himself.

## FLAMING FIRE IN THE VEINS.

We hold positive proof that Ayer's English Blood Elixir cures all blood poisons where cheap sarsaparillas and so-called purifiers fail. Knowing this, we will sell it to all who call at our store on a positive guarantee. J. W. Conn, Druggist.

Farmers in the northwest are already sowing spring wheat.

Do not let awake nights and cough! Ayer's Cherry Pectoral will relieve the cough and induce a good night's rest.

This is the earliest opening of navigation on the Hudson since 1882.
